

Legend x = Standard    o = Optional    p = Package	A8 4.2 quattro®	A8 L 4.2 quattro®
<b>Technical</b>		
• ASF® - Audi Space Frame aluminum alloy frame and body shell construction	x	x
• 4.2 liter DOHC aluminum alloy 350 PS, 90 degree V8 engine, 4-valves per cylinder, FSI direct injection technology, direct ignition system, roller camshaft followers	x	x
• 6-speed automatic transmission with Tiptronic® and DSP Dynamic Shift Program (selects from over 200 shift programs to match driver's needs), hill detection capability and "Sport-mode" setting	x	x
• quattro® IV - permanent all-wheel drive system, includes Torsen® torque sensing center differential	x	x
• Audi adaptive air suspension - four corner air suspension with air spring strut at each wheel, infinitely variable damping, automatic load-leveling and various driver controlled handling modes select via MMI (combinations of damping characteristics and ground clearance)	x	x
• Audi adaptive air suspension sport - four corner air suspension with air spring strut at each wheel, infinitely variable damping, automatic load-leveling and various driver controlled handling modes select via MMI (combinations of damping characteristics and ground clearance). Compared to standard adaptive air suspension, sport offers 20mm lower ground clearance in automatic and comfort modes and generally firmer damping in dynamic mode.	p	p
• Anti-lock brake system (ABS 5.3) with front and rear Electronic Differential Locks (EDL) and Electronic rear Brake pressure Distribution	x	x
• Servotronic® - vehicle speed-sensitive power rack & pinion steering	x	x
• ESP - Electronic Stabilization Program	x	x
• CFC-free (ChloroFlouroCarbon) air conditioning refrigerant	x	x
<b>Wheels / Tires</b>		
• 18" 5-spoke 8.5J x 18 cast-alloy wheels with 255/45 R 18 99H all-season tires	x	x
• 20" 7 double-spoke 9 x 20 quattro GmbH cast-alloy wheels with 275/35 ZR20 performance tires	p	p
• 19" 12-spoke 8.5J x 19 forged alloy wheels with 255/40 R 19 all-season	o	o
• 19" 5 arm 8.5J x 19 cast alloy wheels with 255/40 R 19 all-season or performance tires 1	p	p
• Full size spare tire with alloy wheel (n/a with sport package)	x	x
• 18" painted aluminum spare (included with sport package)	p	p
<b>Exterior</b>		
• Single frame radiator grille	x	x
• Body color outside mirrors; left side flat, right side convex	x	x
• Dual auto dimming, power folding outside mirrors with defog feature and memory. Power tilt passenger side mirror when gear is in reverse and mirror adjustment switch position is to right mirror.	x	x
• Tinted glass, dark tinted band around edge of windshield	x	x
• Dual pane laminated security glass for improved break-in protection and acoustics	o	o
• 5 MPH (Federal standard) bumpers, painted in body color	x	x
• Exterior aluminum trim above door side molding and aluminum trim around side windows	x	x
• Protective side moldings, aluminum/body color combination for doors and bumpers	x	x
• Body color door handles with aluminum accent on top	x	x
• Heatable windshield washer nozzles	x	x
• Metallic or pearl effect paint at no extra charge	x	x
• Nomenclature: - Four rings on center rear of trunk lid	x	x
- "A8 L" on left rear of trunk lid	-	x
- "A8" on left rear of trunk lid	x	-
- "4.2" on right rear of trunk lid	x	x
- "quattro" on right rear of trunk lid	x	x
- Four rings in center of grille	x	x
- "quattro" on left side of front grille	x	x
• Front license plate holder (for states which require front license plates)	x	x
• Front grille filler panel (grille filler with chrome strips for states w/o front license plate requirement)	o	o

ⓘ These tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or its equivalent. These high performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

<b>Exterior Lighting</b>		
• Adaptive (cornering) Bi-Xenon high intensity, low and high beam headlights with automatic self-leveling	x	x
• Cornering third light in headlight housing activated when vehicle turns corner	x	x
• High pressure retractable headlight washers	x	x
• Two front fog lights located in lower front bumper	x	x
• Two rear fog lights in portion of taillights located on the decklid	x	x
• Red taillight lenses with red LED's used as the brake and turn signals	x	x
• "Puddle" lights in all four doors	x	x
• LED lights underneath exterior mirrors and side door handles, activated automatically when doors are unlocked and opened	x	x
• Coming home/leaving home lights programmable via MMI (fog lights, tail lights, licence plate lights and LED lights below mirror and door handle)	x	x
• Programmable DRL daytime running light headlights (Canada: foglights), auto on/off low-beam headlights (lightsensor located in interior rearview mirror housing)	x	x
• Side indicators with white LED lights	x	x
• Front clear lenses w/amber turn lights, and side markers w/amber bulbs	x	x
<b>Interior Lighting</b>		
• Interior lights in front and rear headliner with fade-in and fade-out feature, time delay and automatic switch on when key is withdrawn from ignition	x	x
• Front and rear reading lights located in headliner	x	x
• White ambient LED lighting for storage compartments, front & rear footwells, door handles, indirect illumination of the door trims & reading lights in rear headliner. Diff. light profiles programmable via MMI	x	x
• Entry/exit lights and active reflectors on all doors	x	x
• Illuminated front make-up mirrors	x	x
• Illuminated rear vanity mirrors	-	p
• Illuminated locking glove box, trunk, lighter and ashtray	x	x
<b>Comfort and Convenience</b>		
• MMI (multi media interface) control module. Controls most of vehicle electronics including radio, CD telephone	x	x
• Fully automatic dual-zone climate control system with sun sensor, air-quality sensor, particle filter with activated charcoal, and residual-heat function (via ON/OFF button, heater can operate when ignition is off). Draught-free, indirect ventilation.	x	x
• Fully automatic four-zone climate control, adds additional rear climate operating unit in rear center console and allows for separate temperature and air distribution settings for each individual seat.	o	o
• Power glass sunroof with both tilt and slide functions, tinted safety glass and infinitely variable sunshield, electrically actuated wind deflector (road speed control), automatic pre-select function of sliding roof position, and closing system with pinch protection.	x	x
• Power Solar sunroof, with solar panel to maintain power supply to the fan when car is parked in the sun. With both tilt and slide functions and electrically actuated wind deflector (road-speed control).	o	o
• Power windows with: - power retention (until either front door open) - "one-touch down" for all four windows - "pinch protection" for all four windows (reverses window at force >100N) - "one touch up" for all four windows - driver controlled lock out switch for rear power windows	x	x
• 4 memory positions for driver and passenger seat, outside mirrors, head restraint, steering wheel positions and climate control settings ( prog. access steering/ seat position for egress)	x	x
• Cruise control	x	x
• Adaptive Cruise Control (ACC) adapts the vehicle's speed by applying the accelerator and/or brakes to help keep a safe distance to the vehicle driving ahead in the same distance.	o	o
• Dual auto dimming, power folding outside mirrors with defog feature and memory. Power tilt passenger side mirror when gear is in reverse.	x	x
• Auto dimming interior rearview mirror	x	x
• Electrical rear window defogger with automatic timed shut off feature	x	x
• Power central locking system (doors, deck lid and fuel door), with selective unlocking (enables unlocking of a single door or individual doors), plus: - master switch located in all doors - convenient open for windows	x	x
• Multi-function 4-spoke leather steering wheel with MMI controls (in dashboard color) and leather shift knob	x	x
• Multifunction 4-spoke wood / leather segmented steering wheel with MMI controls & shift paddles Includes matching wood shift knob. N/A with heated steering wheel or sport package.	o	o
• 3 spoke leather wrapped multi function sport steering wheel with shift paddles	p	p
• Heated multi function steering wheel (not available with wood segmented SW or sport package)	o	o

Legend x = Standard    o = Optional    p = Package	A8 4.2 quattro®	A8 L 4.2 quattro®
<b>Comfort and Convenience (Continued)</b>		
<ul style="list-style-type: none"> <li>• Advanced Key, keyless entry and go system. Includes proximity sensor in door handles and trunk lid and Start/Stop button in the right upper corner of the MMI terminal. Allows for selective unlocking of doors and trunk lid, starting and stopping of the engine, and locking the vehicle without taking hold of the key. Key has to be within 60 inches (1.5 m) of proximity sensor to lock/unlock vehicle and in the driver's possession for starting the engine.</li> </ul>	p	p
• Power tilt and telescopic steering wheel column with automatic tilt-away for ease of entry and exit	x	x
• Fuel tank & trunk lid release button in driver's door	x	x
• Front and Rear Acoustic parking system with rear view camera displayed in MMI (new for 2007)	p	p
• Radio frequency remote locking system with selective unlock, remote trunk opening and panic function, remote also activates interior lights and alarm system.	x	x
• Folding ignition key with remote controls (including rear lid release)	x	x
• Power trunk "close" for last 1 in. of trunk closing	x	x
• Power "open/close" for trunk: power "open" by button in remote key, button in the driver's door or soft-touch button in the recess provided in the trunk lid. Power "close" via button on inside of trunk lid.	p	p
• Power door closer for last inches of front and rear side doors	p	p
• Right/left illuminated vanity mirrors in sunvisors (normal and magnified mirrors included)	x	x
• Four assist handles with slow retraction feature and integrated reading lights	x	x
• Manual sunshades for rear side windows	p	x
• Rear vanity mirror	n/a	p
• Electric sunshade for rear window	p	p
• Windshield wipers with 4-position adjustable delay and rainsensor (located in interior rearview mirror housing) - automatically switches on windshield wipers in wet conditions when in intermittent position	x	x
• 12 V power source in left side of trunk	x	x
<b>Seating</b>		
• Premium leather upholstery (Valcona leather comfort seats)	x	x
• 16-way power front driver and passenger seats with: <ul style="list-style-type: none"> <li>- 4-way power lumbar adjustment</li> <li>- power fore/aft, height, angle and seatback-angle adjustment</li> <li>- power front head restraint &amp; seat belt height adjustment</li> <li>- power upper seatback adjustment for angle of top third of seatback</li> <li>- power seat depth adjustment (thigh extender) driver and passenger side (seat foam and upholstery are drawn out, no gap)</li> <li>- 4 memory positions for driver and passenger seat, outside mirrors, head restraint, steering wheel positions and climate control settings</li> </ul>	x	x
• Front and rear comfort headrests (new for 2007)	x	x
• Heated front and rear seats (Heated front seats standard in Canada)	p	p
• Front seat ventilation and massage to remove heat and moisture, and to massage and relax back muscles. Seat ventilation by means of fan in each of the front seatbacks/seat bases, activated via button in front climate control unit. Massage through movements of lumbar element, activated via button at side of seat. Requires premium package, comes with perforated leather.	o	o
• Front seat back map pockets	x	x
• Power lumbar adjustment for rear outboard positions	o	o
• 3 adjustable head restraints for rear seat	x	x
• Concealable center rear headrest	x	x

Legend x = Standard    o = Optional    p = Package	A8 4.2 quattro®	A8 L 4.2 quattro®
<b>Interior</b>		
• Alcantara headliner and hatshelf	o	o
• Alcantara door inserts in all doors	x	x
• Door armrests in leather and Center Console in Leather with Premium Stitching	o	x
• Genuine wood inlays in instrument panel, center console and door panels in Brown Polished Walnut, Sycamore, or Beige Birch	x	x
• Aluminum-design for trim around air vents and MMI display, control unit below central vents, electromechanical parking switch and ring around light switch.	x	x
• Full length front center console with: - forward storage area and storage area under front center armrest - adjustable rear passenger air vents, rear seat heater controls(opt) and rear power outlet	x	x
• Dual cupholders in front center console	x	x
• Dual front center armrests, folding and height adjustable with storage capability	x	x
• Rear center armrest, folding, with cupholders and first aid kit	x	x
• Front and rear door storage pockets	x	x
• Expandable ski sack	p	p
• Illuminated, lockable glovebox	x	x
• Front and rear floor mats	x	x
• Heat vents to rear seat under the front seats, on B-pillar and in rear center console	x	x
• Flexible luggage net in trunk	x	x
• Four tie-down eyelets in trunk	x	x
• Personal refrigerator in pass through to trunk. (capable of freezing water into ice) - Refrigerator with compressor, temperature control range + 50° to - 5° Fahrenheit (+10° to -15° C) - Cooling compartment for 2 x 33 ounce bottles, horizontal (2 x 1 liter) - Additional compartment including 2 glasses (horizontal) - Interior lighting with LED technology Located in pass through instead of ski bag. Retrofitting to ski bag possible. Impact on trunk volume: approx. - 1.1 cu.ft. (- 30 liters) Available from quattro GmbH, sold orders only.	n/a	o
• Bose Premium Surround Sound System with 6 disc CD changer in glove box	x	x
• Bang & Olufsen Advanced Sound system with 6 disc CD changer in glove box	o	o
• Satellite radio preparation	x	x
• Sirius Satellite Radio	o	o
• AM/FM Diversity antenna array in rear window	x	x
• Audi DVD Navigation System with 7" color screen display and display in driver information display <sup>3</sup>	x	x
• HomeLink® 3 channel remote transmitter located in headliner console	x	x
• Backlit electro-luminescent instrument cluster with automatic brightness control including: - tachometer, electronic speedometer, voltmeter, fuel/coolant and oil temperature gauges - digital clock with date - digital odometer and trip odometer	x	x
• Digital odometer with service interval indicator	x	x
• Driver information display including: - 8-color LCD display - outside temperature display plus 5-function trip computer - radio display + additional Navigation arrows - active Auto Check system with speed warning device - pictogram display for open door and trunk lid	x	x
• Immobilizer anti-theft alarm system with blinking theft-deterrent light in driver's door	x	x
• Bluetooth cell phone preparation and voice control system. Controls phone, CD, radio and Navigation	x	x
<b>Safety</b>		
• Anti-lock braking system (ABS) with vacuum power assist, Electronic Braking-pressure Distribution (EBD), Electronic Differential Lock (EDL), hydraulic Brake Assist, and traction control (ASR)	x	x
• High-performance aluminum fist-caliper brake system, front brake discs 360 mm diameter with 2 piston calipers, rear discs 310 mm diameter with 1 piston caliper	x	x
• Electromechanical parking brake lever with emergency brake function	x	x
• Driver and front passenger dual-stage and dual-threshold next generation airbags supplemental restraint *	x	x
• Side airbag supplemental restraint for front and rear outboard occupants (seat mounted) *	x	x
• SIDEGUARD™ head protection airbag supplemental restraints for front and rear occupants	x	x
• Driver and front passenger knee protection airbags *	x	x
• Front 3-point safety belts with automatic pretensioning, height adjustable upper mounts and force limiters	x	x
• Three rear 3-point safety belts with automatic pretensioning and angle adjustment	x	x
• Front passenger side, and rear safety belts with Convertible Locking Retractor (ALR and ELR modes)	x	x
• Active front head restraints, automatically pivot forward in the event of a rear-end collision	x	x
• Lower Anchorage and upper Tether Child seat provisions (LATCH) in rear	x	x
• Child-safety rear door locks	x	x
• Power central locking system w/safety unlock (unlocks doors & turns on interior lights if airbag deploys)	x	x
• Active red reflectors in rear of all doors when open	x	x
• First aid kit in rear center armrest	x	x
• Trunk release handle in trunk interior	x	x
• Tire pressure monitoring system (standard in US, optional in Canada)	x	x

<sup>2</sup> Satellite radio is only available in Continental U.S. Activation and first three months of service free of charge.

<sup>3</sup> The Audi Navigation system depends upon signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The mapping does not have the same level of detail in all areas. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information. This will be available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.
