Order Process

Exterior Order Input

- Select option code 'SPE' as listed in the MY 2014 Audi exclusive Order Guide, in the Audi dealer order system (AIM)
- Enter the colour name and colour code in the comments section. Audi Canada will confirm the feasibility of the colour and approve accordingly

Interior Order Input

- Select option code 'SPE' in the AIM system
- Enter the words 'AUDI EXCLUSIVE ORDER' in the comments section
- Log onto the CRC website and download the applicable model order sheet
- Complete the order sheet and email to jeremy.kuzenko@audi.ca
- Once approved by Audi Canada and quattro GmbH, a completed Audi exclusive order summary will be forwarded to the dealer for official signoff
- The signed order summary must be emailed jeremy.kuzenko@audi.ca
- Once these steps are completed, the order will be processed

NOTE:

Some items in the order sheet are not available in the Canadian market. This order sheet is a global document, and dealers should use the Audi exclusive Order Guide to help determine what is orderable in our market.

Audi exclusive options must be added to a vehicle order when it is in status 5. Orders in status 10 cannot be changed to add exclusive options. Once an Audi exclusive order is approved and processed, it **cannot** be canceled.

Delivery Timing and Restrictions

Orders with special order paint will add approximately 4 weeks to 'order-to-delivery' timing, while orders that include interior Audi exclusive options will add approximately 8-12 weeks (inclusive of special order paint).

The costs of special order exterior paint and Audi exclusive interior options cannot be residualized. Therefore customer selected Audi exclusive options are not available for retail lease at this time.
