

Tunexperts is a new startup venture with the aim to provide a new standard in automotive technologies to the Canadian market. Our offer includes an extensive list of chip tuning options as well as state of the art dynamometers that have a proven reputation amongst tuners and racing teams across Europe.

We are looking for a motivated individual who is up to the challenge of becoming an integral part of our team. The person we are looking for is a car enthusiast, ambitious and eager to take on a variety of responsibilities.

Required Skills

- Minimum undergraduate degree or diploma
- High level of professionalism with excellent customer service and interpersonal skills
- Possess strong organizational and time management skills with an ability to work both independently and within a team environment
- Quick learning ability, proactive, results-oriented, and resourceful
- Previous automotive work experience is an asset

Our compensation offer reflects the requirements of the position. The starting compensation will consist of a modest base salary plus 10% of profits paid out as dividends.

If you feel you are the right fit for this position, then we invite you to apply.

Please send your resume and cover letter to info@tunexperts.com
