

the filter. The symbol will switch off when the cleaning is successful. After a successful cleaning, there is no need to bring the car to an authorized dealer or qualified workshop because this is part of normal vehicle operation.

If the symbol  does not switch off, see your authorized dealer or other qualified workshop to have the problem corrected.

For more information on the diesel particulate filter, refer to  *page 206*.

 **WARNING**

Always adapt your speed to the current weather, road and traffic conditions. You should never disobey traffic laws in order to follow driving recommendations.

 **Headlight range control defective**

 **Headlight range control defective!**

If the symbol  illuminates, the dynamic headlight range control is no longer working properly. Have the system checked and repaired at your authorized Audi dealer.

 **Adaptive light defective**

Applies to vehicles: with adaptive light

 **Audi adaptive light: defective**

When this symbol  illuminates, it means that adaptive light is defective. Go to an authorized Audi dealer to have the headlights or the control unit for the adaptive light repaired.

 **Steering malfunction**

 **Steering lock: Contact dealer!**

If the symbol  in the display comes on, there is an electronic steering column lock malfunction.

Drive to your authorized Audi dealer immediately to have the malfunction corrected.

 **WARNING**

Your vehicle must not be towed in the event of a malfunction in the electronic steering column lock because it cannot be steered due to the locked steering. If it is towed with the steering locked, there is the risk of an accident.

 **Ignition lock malfunction**

 **Ignition lock defective**

If the symbol  in the display comes on, there is a malfunction in the electronic ignition lock. Please go to an authorized Audi dealer or other qualified workshop to have the malfunction repaired.

 **Adaptive dampers**

Applies to vehicles: with Audi drive select

 **Suspension: System fault!**

If the symbol  in the display comes on, there is a malfunction in the adaptive dampers. Please go to an authorized Audi dealer or other qualified workshop to have the malfunction repaired.

 **Windshield wipers faulty**

 **Windshield wipers defective**

When this symbol  illuminates, it means that the electronics for the windshield wipers are defective. Please go to an authorized Audi dealer or qualified workshop to have the windshield wiper system repaired.
