6. How to File a Claim

When repairs are required, if possible, return the Covered Vehicle to the Dealer listed on the Registration Page, or to any Audi dealer. If You cannot return the Covered Vehicle to the Dealer or to a Audi dealer, You must call the Administrator at 1-844-368-6416 during normal working hours to receive instructions. If You do not follow Our instructions, We are not obligated to reimburse You for the cost of any repairs. Authorization must be obtained from the Administrator prior to having the Covered Vehicle repaired. We reserve the right to inspect any vehicle before authorization of any repairs. Please note that hybrid components can only be serviced by a certified Audi Hybrid Specialist. High-voltage components can only be serviced by a certified Audi High-Voltage Specialist. In order to make a claim under this Agreement, You must:

- A. Provide "teardown authorization" when requested by Us or Administrator, so that the repair facility can provide an accurate diagnosis and estimate of repairs;
- B. In the event that a Mechanical Breakdown of a Covered Part occurs when the Administrator's office is closed and emergency repairs are necessary, You may follow the claim procedures and commence emergency repairs without securing the Administrator's authorization. However, You or the authorized service representative must notify the Administrator of the repairs on the next business day. You must submit written information and documents concerning the Mechanical Breakdown and repairs no later than thirty (30) days after the Mechanical Breakdown occurs. Reimbursement of emergency repairs will be subject to all terms and conditions of this Agreement and nothing herein authorizes repairs otherwise covered. Emergency repairs are those required because the Covered Vehicle was inoperable or unsafe to drive. Parts must be available for inspection within the Administrator's office.
- C. Submit a claim for reimbursement to the Administrator with all required documents within thirty (30) days of authorization of repairs.
- D. Retain all replaced parts until Your claim is settled, as You may be required to provide them for inspection.

7. Your Responsibilities

- A. Have the Covered Vehicle serviced according to the maintenance schedule provided in the Vehicle Maintenance Owner's Manual. You must keep original copies of all repair orders, invoices, and receipts from the performed services and maintenance performed, if requested, present the originals to the Administrator; and
- B. Use all means to protect the Covered Vehicle from further damage in the event of a Mechanical Breakdown. Without limiting this general rule, specifically, You must stop driving the Covered Vehicle immediately and have it towed to a repair facility before driving it further.

Failure to comply with the responsibilities listed in this Section 7, Your responsibilities, and Section 6, How to File a Claim, may result in the denial of Your claim. If You have any questions which cannot be answered by the Dealer, please contact the Administrator.

8. Transfer

This Agreement is transferable to a private party (not including dealerships) within thirty (30) days of the Covered Vehicle's resale or lease assumption, subject to a fifty (\$50) dollar transfer fee.
