# Audi Q7

2018  
**Audi  
Q7**

# Exterior Design

**Space is the luxury of our time.  
Intelligence designed into every detail.**

The broad, angular design of the 2018 Audi Q7 features muscular wheel arches that pay respect to our rally racing past, while available full LED headlights help light up the road ahead. Horizontal design lines along with subtle quattro® engraving on the side blade emphasize the spaciousness and intelligent capability that take shape in the Audi Q7.

## **Singleframe® grille design**

The iconic wide grille on the Audi Q7 emphasizes the stability and confidence that comes from driving such a versatile vehicle. Aluminum-optic horizontal blades catch the eye, while the sheer size and the three-dimensional quality of the grille give the Q7 an aggressive countenance.

## **Available Audi Sport® wheels**

Available Audi Sport 21" 5-twin-spoke design wheels enhance the performance character of the Audi Q7, giving your ride a sporty stance.

## **Aluminum roof rails with ESC integration**

Bringing classic Audi aesthetics to practical utility, these lightweight yet strong roof rails help expand the storage capability of the Audi Q7 and let you load up to 220 lbs of cargo when using the accessory roof rack system.<sup>1</sup> As an added feature, the vehicle's ESC system automatically adjusts intervention parameters to compensate for the added weight on the roof.

## **Clamshell power tailgate with hands-free release**

Seamlessly integrated into the wide design of the Audi Q7, the clamshell tailgate renders any panel gaps nearly invisible from the rear and can open up your vehicle for cargo with a simple wave of your foot under the tailgate. A convenient opening height adjustment makes it especially practical in tight spaces.

## **Available Titanium-black optic package**

Titanium-black exterior touches—from the unique Singleframe® grille to the sideblade and roof rails—create an aggressive, sporty look on Audi Q7 3.0T Prestige models. Titanium-matte 21" Audi Sport® wheels and additional Titanium-black elements emphasize the vehicle's performance pedigree.

1. All roof-rack system attachments require the base carrier bars. All attachments sold separately. Recreational equipment, sporting equipment and luggage not included.

# Interior Design

Go primitive without leaving civilization.  
Nature contoured to your comfort.

Premium leather seating surfaces. Elegant wood inlays. Natural light passing through the standard panoramic sunroof. The Audi Q7 tames fine natural materials to give you a luxurious interior for a relaxed focus on your drive.

## Wing design dashboard

Evoking a sense of space and clarity, the wing design dashboard features the refined quality of Audi materials and puts the controls in their ideal position in the cabin.

## Standard heated and available ventilated front seats

Find comfort and support behind the wheel despite changing weather conditions, thanks to the intrepid character of the Audi Q7. And available heated rear seats help ensure no passenger feels left out in the cold.

## Standard leather seating surfaces

Starting with some of the finest raw materials, Audi creates refined leather seating surfaces that underscore the connection between luxury and comfort—soft to the touch and supportive to hold you in place with standard eight-way power front seats.

## Standard three-zone automatic climate control

Three zones of cooling or heating help occupants dial in the temperatures that make them most comfortable. Settings displayed on the dials help make for easy adjustment.

## Available four-zone automatic climate control

Dial-mounted temperature displays help give passengers control over their preferred temperature.

## Available climate control diffuser vent

A panoramic diffuser vent spans the dashboard to help provide a more natural flow of air and it creates a sleek look with aluminum-optic design elements.

## Large panoramic sunroof

Extending almost the entire length of the cabin, this standard panoramic sunroof lets in light and fresh air for a clear and open interior space.

## Seating for 7 with 5 LATCH child seat restraints

We think a proper vehicle should fit both the driver's and the passengers' needs. The Audi Q7 allows customizable seating with plenty of head- and legroom for up to seven passengers, with LATCH points in all five rear seats.

## 35/30/35 split-folding second-row seatbacks

Offering a three-way independent tumble-folding second row, the Audi Q7 can be configured easily to accommodate passengers and cargo.

## Standard power-folding 50/50 third-row seatbacks

The simple press of a button folds the third row to allow larger cargo items.

## Cargo capacity

With up to 71.6 cu ft of space behind the driver's and front passenger's seats with the 2nd and 3rd rows folded down, and multiple seating configurations, you have a simple yet flexible travel solution for your cargo.

## Available Luxury package

Featuring ambitious levels of luxury, this available package gives the driver and front passenger Individual contour front seats with ventilation and massage, additional leather-wrapped interior elements and an Alcantara® headliner.

2018  
**Audi**  
**Q7**

**LED**

**Signal your intentions in symbolic style.  
Giving shape to light.**

Ahead of its time, Audi made LED lighting a style statement. It not only changed the way you see the road, it changed the way others see you.

### **Available full LED headlights**

Unique arrow-style design LED daytime running lights provide the Audi Q7 with a distinctive light signature. Available LED headlights have a light spectrum similar to the brightness of daylight.

### **Benefits of LED**

The light from LEDs can be more similar to daylight than halogen or xenon, which helps make it easier on your eyes. LEDs also consume less energy and can last longer than conventional bulbs.

### **Available high-beam assistant**

Detecting light from oncoming vehicles or well-lit areas, high-beam assistant can automatically switch from the high-beam to the low-beam setting to help avoid distracting oncoming traffic.

### **Xenon plus headlights**

Standard on the Audi Q7, xenon plus headlights and LED daytime running lights help give a bright view of the road, and their arrow design lighting elements offer a distinctive illumination signature.

### **LED taillights**

Intense and recognizable—thanks to a distinctive design that mimics the look of the LED daytime running lights—LED taillights illuminate faster than conventional bulbs, which can help improve reaction times of vehicles behind you.

### **Ambient lighting**

LED lighting is integrated throughout the interior, placed thoughtfully to enhance design by emphasizing contours or as background/pocket lighting to help identify areas of depth.

2018  
**Audi  
Q7**

# Engineering

Choose your own adventure.  
Giving you the power to go out and do it.

**252 horsepower, Q7 2.0T**  
**273 lb-ft of torque, Q7 2.0T**  
**4,400 lb towing capacity,<sup>[1]</sup> Q7 2.0T**

## Eight-speed Tiptronic®

The eight-speed Tiptronic® automatic transmission was built to extract optimal power from the 252-hp 2.0-liter TFSI® four-cylinder engine in the Audi Q7 for a composed yet exciting sport utility performance.<sup>[2]</sup>

### Comfort mode

Comfort mode favors softer throttle and transmission characteristics as well as boosted steering power assistance that is ideal for long-distance travel.

### Auto mode

Auto mode provides a balanced throttle, transmission, steering and suspension response (when equipped with Audi adaptive air suspension.)

### Dynamic mode

Dynamic mode provides optimal settings for performance driving conditions. The throttle tip is more sensitive, the steering is heavier for a more direct feel, and the shift pattern and suspension system (when equipped with Audi adaptive air suspension) is tuned for a sportier response.

### Offroad mode<sup>[3]</sup>

Offroad mode<sup>[3]</sup> adjusts throttle and transmission response along with the steering and suspension settings (when equipped with Audi adaptive air suspension) to suit more rugged road surface.

## Manifesting your journey.

The available 3.0-liter TFSI® engine produces a potent 333 horsepower and 325 lb-ft of torque. Along with standard quattro® all-wheel drive and a class-leading 7,700-lb towing capacity,<sup>[1]</sup> the Audi Q7 3.0T helps manifest you in control of a commanding performance.<sup>[4]</sup>

## Best in class towing capacity

The Audi Q7 3.0T offers up to 7,700 lbs of towing capacity,<sup>[1]</sup> so you have the confidence to haul your gear.<sup>[4]</sup>

**333 horsepower, Q7 3.0T**  
**325 lb-ft of torque, Q7 3.0T**  
**7,700 towing capacity,<sup>[1]</sup> Q7 3.0T**

## All-wheel steering

Whether it's helping you maneuver in tight spaces or improving your dynamic steering capability, available all-wheel steering gives you new tools to be a better driver.

## Counter steering

To help improve the turning radius at low speeds, the rear wheels can turn opposite the front wheels.

## Parallel steering

At higher speeds, the rear wheels can turn in parallel with the front wheels for smoother lane changes and cornering.

## Suspension

### Allroad mode

This available suspension can raise the vehicle suspension height by 25 mm in Allroad mode for expanded capability and comfort.

### Offroad/Lift mode

This available suspension can raise the vehicle suspension height by 60 mm for expanded capability and comfort.

### Comfort mode

The available Audi adaptive air suspension emphasizes balance and comfort with suspension tuning that helps provide a cushioned ride.

### Dynamic mode

This available suspension can lower the body of the vehicle by 15 mm, helping give the driver an aggressive perspective and even more control with Audi drive select.

1. Maximum tow rating when properly equipped with towing accessories. Vehicle load, other accessories and options may reduce maximum towing capacity. See vehicle owner's manual for details.

2. Always obey all speed and traffic laws.

3. Always ensure that your vehicle is equipped with appropriate tires and equipment, and always adjust your speed and driving style to the road, terrain, traffic and weather conditions. See owner's manual for further details and important limitations.

4. When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions. Tires are supplied and warranted by their manufacturer.

2018  
**Audi  
Q7**

# Quattro

**A new way to leave the competition in the dust.  
A reminder for everyone else to get a grip.**

Without grip, there would be no traction. Every Audi Q7 features the latest advances in quattro® all-wheel drive technology. The system helps you maintain grip by sending power where it's most effective.<sup>[1]</sup>

### **Standard quattro® all-wheel drive**

Under most conditions, the quattro® all-wheel drive system's torque distribution ratio is 40:60 front-to-rear for dynamic handling and performance. A sophisticated self-locking center differential can send as much as 70% of power to the front wheels or 85% to the rear wheels to help maintain control and optimize performance.

### **Torque vectoring**

To help enhance directional stability around corners, the torque vectoring feature slows the inside cornering wheels by applying minimal, selective braking pulses.

1. When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions. Tires are supplied and warranted by their manufacturer.

2018  
**Audi**  
**Q7**

# Driver Assistance

In case you missed it.

The intersection of awareness and support.

Because you can't see everything, we developed Audi pre sense®, a host of standard and available driver assistance features that can alert you as well as assist you in a variety of situations. Using cameras and available radar sensors, Audi pre sense helps act as your extra pair of eyes.<sup>[1]</sup>

## An elevated presence of mind.

Audi pre sense® helps monitor the areas around the vehicle with a sophisticated front-facing camera and front/rear-facing radar sensors.<sup>[1]</sup>

## Audi pre sense® basic

Standard Audi pre sense basic can begin closing the side windows and panoramic sunroof, tightening the front safety belts and preparing the brake system in the case of an unexpected event on the road.<sup>[1]</sup>

## Audi pre sense® city

Your Audi Q7 can detect stationary vehicles and pedestrians with standard Audi pre sense city, which can initiate emergency braking to help avoid unforeseen collisions.<sup>[1]</sup>

## Vehicle exit assist

Your vehicle can help prevent accidents with other vehicles or cyclists approaching from behind while the vehicle doors are open. Available Vehicle exit assist uses rear radar sensors to help alert the driver or passenger by monitoring traffic from behind the vehicle.<sup>[1]</sup>

## Rear cross traffic assist

Back out of a parking space with confidence using the available Rear cross traffic assist, which helps detect rear traffic and can alert the driver or initiate braking if necessary.<sup>[1]</sup>

## Collision avoidance assist

If systems detect a potential collision, available Collision avoidance assist can help support the driver by providing steering guidance.<sup>[1]</sup>

## Turn assist

Available Turn assist can help in the event the driver attempts to cross traffic at slow speeds when there is a perceived hazard.<sup>[1]</sup>

## Audi adaptive cruise control with stop & go and Traffic jam assist

Maintain a set following distance during changing traffic speeds. In low speed traffic, this available system can provide guided acceleration, braking and steering to help support you in stop-and-go traffic situations.<sup>[1]</sup>

## Traffic sign recognition

Available traffic sign recognition uses a camera-based system to help detect common road signs such as speed limits and school zones and can display the information on the available Audi virtual cockpit and head-up display.<sup>[1]</sup>

## Audi side assist

Available Audi side assist uses radar sensors and two different optical warnings to help keep the driver informed about what is approaching from hard-to-see angles behind and to the side of the vehicle.<sup>[1]</sup>

## Audi active lane assist

The available Audi active lane assist helps detect when the vehicle begins to leave the lane without signaling. Then, through gentle, corrective steering efforts, it can help the vehicle remain in the lane and vibrates the steering wheel as an additional warning.<sup>[1]</sup>

## Parking system plus with top view camera system<sup>[1]</sup>

Parking system plus features four front and rear acoustic parking sensors and an available top view camera system for a bird's-eye view displayed on the MMI® display. For added benefit, the standard rear view camera offers selectable guidelines for parking in parallel or perpendicular spaces.<sup>[1]</sup>

2018  
**Audi**  
**Q7**

# Virtual Cockpit

**Speak with your hands.  
Control through intuition.**

By studying how we use our hands, we simplified the MMI® interface so you can interact with your vehicle in a way that is natural and instinctive.<sup>[1]</sup>

## **Yacht-style throttle gear selector**

Operating the MMI® interface comes easier, thanks to the shape and position of the yacht-style gear selector.<sup>[2]</sup> Your wrist rests naturally on top while you tap, twist and swipe to communicate.<sup>[1]</sup>

## **MMI® all-in-touch**

Available MMI all-in-touch<sup>[1]</sup> features a glass touch pad with handwriting-recognition technology so you can simply “write” your entry instead of selecting individual numbers or letters as found in traditional systems. The two toggle keys allow you to quickly select the most common MMI functions.

## **8.3-inch center infotainment display**

The available 8.3-inch center display is slim yet generously sized for easy navigation of the vehicle’s infotainment system.<sup>[1]</sup>

## **A futuristic view of the present.**

An information innovation, the available Audi virtual cockpit features two display modes so you can prioritize what you see and how you see it.<sup>[1,3]</sup>

### **Classic mode**

The gauges in Classic mode are arranged in traditional fashion for ease and familiarity.<sup>[3]</sup>

### **Infotainment mode**

Infotainment mode changes the focus to your information and entertainment choices, displaying maps to help you find your way and keep your focus on the road.<sup>[3]</sup>

1. Always pay careful attention to the road, and do not drive while distracted. See owner’s manual for further details and important limitations.  
2. Before exiting the vehicle, always make sure the vehicle is shifted into Park, and the parking brake is set. See owner’s manual for important details.  
3. Always pay careful attention to the road, and do not drive while distracted. Audi connect® should be used only when it is safe and appropriate. Connect PRIME services are optional, require an active subscription with separate terms, and require vehicle mobile data connectivity. Some services collect location information and require a vehicle GPS signal; see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth features will not be available after December 2020 for MY2018 & older vehicles. See Terms of Service, Privacy Policy, and other details at [www.audiusa.com/audiconnect](http://www.audiusa.com/audiconnect).

# 2018 Audi Q7

# Audi Connect

If only you knew...  
What Audi connect® knows.

Friends and family will love your new Audi Q7, maybe a bit too much. Audi connect offers a host of available features that can alert you when a preset speed or area has been exceeded.<sup>[1,2]</sup> That way you can know whether a “run to the store” was actually a joyride they’ll never forget.

## Wi-Fi® hotspot

With available Audi connect® PLUS, your passengers can connect up to up to eight compatible passenger Wi-Fi®-enabled devices.<sup>[1,6]</sup>

## Valet alert

Using GPS tracking technology, available Valet alert will notify you if your vehicle has exceeded a preset distance and speed.<sup>[3]</sup>

## Speed alert

Get notified when the driver of your vehicle has exceeded a preset speed.<sup>[3]</sup>

## Curfew alert

Stay in the know when your vehicle is out later than it should be.<sup>[2]</sup>

## Audi smartphone interface

Take comfort in the familiarity of your compatible mobile device when you connect it via Audi smartphone interface.<sup>[7]</sup> When linked with your iPhone®, Apple CarPlay™ allows you to control your iPhone® through Siri® and to access your favorite apps such as Apple Music®, Maps, Messages and more. If you have a compatible Android device, Google™ Android Auto™ will connect you with Google Play™ Music, Google Maps™, Google Search and more.<sup>[7]</sup>

## Car Finder

Don't remember where you parked? Through the MMI® connect App, available Car finder can help pinpoint its location.<sup>[4]</sup>

## Parking information

When communicating with participating garages, parking information can direct you to a parking structure that has available parking.<sup>[1,5]</sup>

## Connect CARE<sup>[8]</sup>

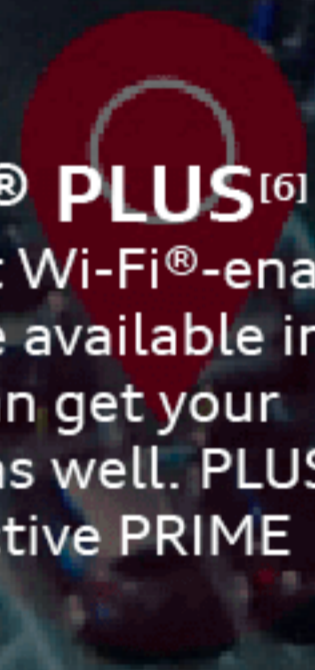

You can make an SOS call,<sup>[9]</sup> contact roadside assistance,<sup>[10]</sup> help locate your vehicle if it's been stolen<sup>[11]</sup> or request servicing.<sup>[13]</sup>

## Connect PRIME<sup>[11]</sup>

A host of infotainment features that include: Google Earth™, Google Voice Search™, myAudi Destinations, Audi Semi-Dynamic Route Guidance with INRIX XD Traffic®,<sup>[12]</sup> Internet radio streaming, Twitter® and news feeds plus weather forecasts—means you're up to date.<sup>[1]</sup>

## Audi connect® PLUS<sup>[6]</sup>

Connect up to eight Wi-Fi®-enabled devices through the available in-vehicle hotspot, and you can get your passengers online as well. PLUS is available with an active PRIME subscription.

1. Always pay careful attention to the road, and do not drive while distracted. Connect PRIME services are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. Trial or paid subscription required. Connect PRIME services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth™ features will not be available after December 2020 for Model Year 2018 and older vehicles. Google Earth is a trademark of Google Inc. See Terms of Service, Privacy Policy and other details at [www.audiusa.com/privacy](http://www.audiusa.com/privacy) and [www.audiusa.com/technology/intelligence/audi-connect/connect-terms](http://www.audiusa.com/technology/intelligence/audi-connect/connect-terms).

2. The alerts should only be viewed when it is safe and appropriate. Always pay careful attention to the road, and do not drive when distracted. Message and data rates apply.

3. Always obey speed and traffic laws. The alerts should only be viewed when it is safe and appropriate. Always pay careful attention to the road, and do not drive while distracted. Message and data rates apply.

4. Requires Audi MMI connect app. Smartphone message and data rates apply. Do not use feature to locate stolen vehicle.

5. Parking feature is not available everywhere and requires participation by parking provider.

6. Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.

7. Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. These features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. “Apple CarPlay” is a trademark of Apple Inc.

9. Manual Emergency Call is enabled prior to purchase or lease and does not require registration or a subscription.

10. Roadside Assistance provided by an authorized third party service provider.

11. For use by law enforcement authorities only. See Terms of Service for details.

12. INRIX XD® Traffic is available on Model Year 16+ A6, A7, TT, RS and Model Year 17+ A3, A4, Q7, allroad®, MY18+ A5, Q5 vehicles and is included with an Audi connect® subscription. Excludes Audi MY 19 and older Q3 and A8.

13. Always consult owner's manual for maintenance guidelines.

2018  
**Audi  
Q7**

# 3D Sound

**Sounds true.  
Another dimension of clarity.**

Developed in collaboration with Fraunhofer IIS and audio specialists Bang & Olufsen®, available 3D sound opens up a sound profile by virtually creating dimensionality and directing the sound waves to create a spacious, front-row listening experience using the width, depth and height of the speaker placement in the cabin.

## **Bang & Olufsen® 3D Advanced Sound System**

Available Bang and Olufsen® 3D Advanced Sound System uses 23 speakers, including two retractable acoustic lenses, and a 23-channel amplifier with an output of 1,920 watts for concert hall definition.

BANG & OLUFSEN

### **“Dynamic line” design**

Designed to complement the Audi Q7 model’s stylish interior, the front door speaker grille features LED lighting to add a subtle highlight to its remarkable audio quality.

### **Bose® 3D Sound System**

Turn your Audi into a 19-speaker powerhouse with the help of innovative sound engineering and speaker placement. Also included is AudioPilot® noise compensation, which helps maintain a consistent volume under varying speeds and road conditions.

### **Audi sound system**

Audi acoustic engineers took care to craft a clear, premium listening experience in the cabin of your Audi Q7, with ten speakers and a speed-dependent volume feature to help compensate for wind and road noise. Stream your music via BLUETOOTH® technology, tune into your favorite SiriusXM® Satellite Radio station, or play your personal music device through the USB port with the Audi sound system.

2018  
**Audi**  
**Q7**

# Safety

Taking care is not something we take lightly.

## Airbags

With six standard airbags including Sideguard® head-curtain airbags<sup>[1]</sup> and available rear passenger outboard thorax side airbags,<sup>[1]</sup> the Audi Q7 helps protect you in many ways.

## Structural engineering

To help protect you and your passengers in the event of an emergency, our chassis engineers designed the Audi Q7 to absorb the energy of impact and remain rigid where it's most needed.

## Electronic Stability Control (ESC) with Off-road mode

Electronic Stability Control (ESC) is both a safety and a performance-enhancing feature. Networked with the traction control system (ASR), ESC can detect a loss of traction and will apply braking input to help prevent excessive body motion or slip, and it can adjust to offroad driving conditions. ESC also helps you maintain your intended line through a corner with intelligent torque vectoring.

## ABS

All Audi Q7 models come standard with a sophisticated anti-lock braking system (ABS) that helps prevent wheel lock-up so you can brake and steer to avoid an incident. As a safety feature, ABS can help prevent accidents. The ABS system in the Q7 is integrated with the vehicle's other driver assistance systems, and work together to help enhance safety.

1. Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

# Exterior Colors

2018  
**Audi  
Q7**

# Accessories

**The call to adventure has many answers.  
Writing your story starts with a big idea.**

A spirit of exploration and curiosity propels us on our journey of discovery and can define our experience. To help you define yours, Audi offers a wealth of useful and aesthetic accessory options, from storage to design—all with the same premium character and legacy of quality as your Audi Q7.

## Inspiration to master your world.

Sleek, progressive design meets expanded utility with Audi Genuine Transport Accessories. From canoe and bicycle racks to roof-mounted cargo carriers,<sup>[1]</sup> Audi has accessories to make space for your lifestyle.

### Thule® SUP Taxi<sup>[1]</sup>

The Thule SUP Taxi features an exclusive telescoping design, delivering a custom fit for boards up to 34" wide, and includes a heavy-duty, steel reinforced webbing and spring-loaded locking cam to secure your boards during transportation.

### Tow hitch<sup>[2]</sup>

A simple installation can equip your Audi Q7 2.0T to tow up to 4,400 lbs,<sup>[2]</sup> giving you expanded capability and making playtime a lot less work.

### Base carrier bars<sup>[1]</sup>

Attached to strong side brackets, these are the foundation of the Audi roof rack system, and the link between you and your passions. Use the base carrier bars with all of our available rooftop attachments.

### Over-the-seat bags<sup>[3]</sup>

Add an extra dimension of storage with a stylish and protective over-the-seat storage bag or the convenient over-the-seat waste bag. Both bags are designed to attach to the vehicle's headrest. And the storage bag is also secured with an integrated safety strap. Bags must be secured while driving.

## Don't let your guard down.

Audi Comfort and Protection Accessories are engineered and designed to fit to your Q7 and your life. From all-weather floor mats to sunshield accessories—these items are the finishing touches that can make all the difference

### All-weather floor mats

Rain or shine, the all-weather floor mats feature a nubbed design that helps protect your the floor and carpeting in your Audi Q7 from the elements—or your passengers. Black mats are available in sets of two for front or rear.

### Anti-Glare Sunshield kit

Sunblind systems help protect your passengers from direct sunlight and glare for side and rear windows, working to help minimize interior temperature increases on warm, sunny days. A sturdy frame structure made from bent spring steel holds the fabric made from 100% polyester taut, even when the rear side window is opened.

### Interior cargo box

This black polyester organizer assembles with Velcro® tabs to help hold items in your vehicle's cargo area. It cleans easily and folds flat when not in use. Measures approximately 18.5" long, 13" wide, 7.75" high and holds 32 liters.

### Trunk cover

Add a level of privacy and security with the convenient, easy-to-use trunk cover. Available in Granite, Criollo Brown and Soul Black.

### Audi Comfort and Protection Accessories

Wheel locks help provide an added layer of anti-theft protection, while stylish splash guards<sup>[4]</sup> help protect the finish of your Audi Q7. The stylish tote bag is made with a layer of insulating materials to help keep your food and beverages cool. And for extra awareness during emergency situations, the portable warning triangle is covered with reflective materials to help improve visibility.

1. All roof-rack system attachments require the base carrier bars. All accessories sold separately. Recreational equipment, sporting equipment and luggage not included.

2. Requires optional towing package. See vehicle owner's manual for details.

3. Not intended to allow use of laptop while vehicle is in motion. Always pay careful attention to the road, and do not drive while distracted.

4. Professional installation required, please see your authorized Audi dealer for details.

2018  
**Audi  
Q7**

# Accessories

**The call to adventure has many answers.  
Writing your story starts with a big idea.**

A spirit of exploration and curiosity propels us on our journey of discovery and can define our experience. To help you define yours, Audi offers a wealth of useful and aesthetic accessory options, from storage to design—all with the same premium character and legacy of quality as your Audi Q7.

## Designed for sport.

A certain passion arises where design confidence meets sport competence. With Audi Sport and Design Accessories, you can put this rare combination on prominent display and make a unique statement about your taste.

## Distinctive style comes full circle.

Audi Genuine Wheels give you unique design options that can help produce the drive quality you expect from Audi vehicles.

### 21" 10-arm cast-aluminum Talea wheels

Enhance the dynamic appearance of your Audi Q7 with matte black, machine-polished, cast-aluminum alloy wheels in this ten-spoke design.

### 19" Audi Q7 winter wheel<sup>[5]</sup> and tire package

Adding style and performance, this winter wheel and tire package features Audi Original winter tires designed to help improve traction and handling in a variety of winter weather conditions.<sup>[5]</sup> See your authorized Audi dealer for details.

## Staring is caring.

Let's face it: You're going to get some looks in your Audi Q7. Taking care to use the right car care accessories can help maintain your vehicle's aesthetics for its most important admirer: you.

### Audi Car Care products<sup>[6]</sup>

Specifically designed for your Audi vehicles—Audi Guard Car Care products provide gentle cleansing formulas and special tools to help give all interior and exterior surfaces some of the finest in cleaning and protection. Our shampoos and waxes provide cleaning performance, change in luster and material compatibility. For lasting shine and sparkle, trust Audi Guard.

## Plan to be more spontaneous.

The interior of your Audi Q7 helps give you the comforts of home, even when you're far afield. Keeping your passengers entertained along the road and illuminating the way forward are just a couple of ways Audi Genuine Accessories can help you embrace the unexpected.

### Audi Music Interface (AMI) cables<sup>[7]</sup>

These cables help enable connectivity to a variety of compatible devices, allowing you to browse audio content through your the infotainment system in your Audi Q7.

### Audi Entertainment mobile

Keep your passengers busy with this convenient and fun rear-seat entertainment system. The 10.1" touch screens can be operated independently or mirrored to show the same content. The devices allow for photo and video viewing, gaming and use of select apps. Includes 2 USB ports, integrated SD card reader, headphone jack and HDMI ports to connect to video game consoles and televisions. The Wi-Fi<sup>®</sup>-enabled<sup>[6]</sup> system secures easily to the front seat headrests and can be used outside the vehicle.

### Audi flashlight accessories

For illuminating designs that help light your way, Audi offers genuine flashlight accessories. A mini flashlight can be charged while plugged into your 12-volt outlet, and a pocket penlight and a versatile emergency tool can help you be prepared for the unforeseen.

5. When driving during cold, snowy or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Even with appropriate tires, you must always drive in a manner appropriate for the weather, visibility and road conditions. Tires are supplied and warranted by their manufacturer.

6. Not available in all states. Check with your authorized Audi dealer for product availability.

7. Pre-paid session-based plans, available for domestic use only. Plans expire when full data allotment is used or time period ends, whichever comes first. Monthly plans auto-renew every 30 days and charges are billed to the credit card on file on the last day of the 30-day term, for the next 30-day time period, unless canceled. To cancel monthly plans at any time, visit myaudiconnect.com or call 1-877-505-2834. Other plans do not auto-renew.

Wi-Fi<sup>®</sup>: Connectivity for up to 8 Wi-Fi<sup>®</sup> capable devices. General Wireless Service Terms: Subject to the Session Based Wireless Data Services Agreement. Other restrictions and terms apply and may result in service termination and/or limitations. Coverage and service not available everywhere.

### Featured Highlights

- MMI® Radio plus with ten speakers and single CD player with MP3 playback capability
- Audi music interface with two USB ports
- Audi pre sense® city
- Audi drive select
- Parking system plus with rear view camera (front and rear acoustic sensors)
- Xenon plus headlights with LED daytime running lights
- Three-zone automatic climate control
- Split tumble-folding 35/30/35 second-row seatbacks with fore/aft position and seatback angle adjustments
- Power 50/50 split folding third row
- Panoramic sunroof with tilt, slide and power sunshade features

### Infotainment / Technology

- 7.0" color driver information display
- 7.0" MMI® center infotainment display
- MMI® Radio plus with ten speakers and single CD player with MP3 playback capability
- HD Radio™ Technology
- SiriusXM® Satellite Radio with 90-day trial subscription[1]
- Audi music interface with two USB ports
- BLUETOOTH® streaming audio for compatible devices
- BLUETOOTH® wireless technology preparation for compatible mobile phones

### Driver Assistance / Innovation

- Audi pre sense® basic[2]
- Audi pre sense® city[2]
- Audi advanced key—keyless start, stop and entry with hands-free tailgate release, open/close[3]
- Audi drive select
- Parking system plus with rear view camera (front and rear acoustic sensors)[2]

### Exterior

- 18" 5-arm design wheels with 255/60 all-season tires (2.0T)
- 19" 5-V-spoke design wheels with 255/55 all-season tires (3.0T)
- Singleframe® grille
- Xenon plus headlights with LED daytime running lights
- LED taillights
- Rear fog lights
- Power-adjustable, power-folding, heated exterior side mirrors with memory
- Aluminum-optic trim around exterior side windows
- Aluminum roof rails with ESC integration
- Rear privacy glass
- Power tailgate with hands-free release, open/close
- Integrated twin-trapezoidal exhaust outlets
- Aluminum-optic door side blade with quattro® script
- Anti-theft alarm system with immobilizer

### Interior / Seating

- Ambient LED interior lighting
- Three-zone automatic climate control
- Three-spoke multifunction steering wheel with shift paddles
- Auto-dimming interior rear view mirror with digital compass
- Diamond Silver upper inlays (2.0T)
- High-gloss Black upper inlays (3.0T)
- Terra Brown Walnut Wood lower inlays
- Leather-wrapped gear selector
- 10 beverage holders (6 cup and 4 bottle)
- Leather seating surfaces
- Heated eight-way power front seats and four-way power lumbar adjustment for driver
- Driver seat memory
- Split tumble-folding 35/30/35 second-row seatbacks with fore/aft position and seatback angle adjustments
- Power 50/50 split folding third row
- Driver and front-passenger extendable sun visors with illuminated vanity mirrors
- Power windows with one-touch up/down operation and power retention until front door is opened
- Panoramic sunroof with tilt, slide and power sunshade features
- Front and rear floor mats
- Stainless steel cargo area sill/threshold protection

### Featured Highlights

- MMI® Navigation plus with voice control system
- BOSE® 3D Surround Sound System with 19 speakers, BOSE® Advanced Staging Technology, 15-channel amplifier and 558 watts
- Audi smartphone interface including Apple CarPlay™ and Google™ Android Auto
- Audi side assist and Audi pre sense® rear
- Audi side assist and Audi pre sense® rear with Rear cross traffic assist
- Audi side assist and Audi pre sense® rear with Vehicle exit assist
- Power-adjustable, auto-dimming, power-folding, heated exterior side mirrors with memory
- Power tilt and telescopic adjustable steering column

### Infotainment / Technology

- MMI® Navigation plus with voice control system[5]

## Q7 3.0T Prestige (cont'd)

### Safety

- Driver adaptive and front-passenger dual-stage airbags[4]
- Front-passenger thorax side airbags[4]
- Sideguard® head-curtain airbags[4]
- Lower Anchors and Tethers for Children (LATCH) in rear seats (three pairs of anchors and tethers in second row, two pairs in third row)
- Power central locking system with safety unlock feature if airbags deploy
- Electronic Stability Control (ESC) with Offroad mode, secondary collision brake assist and traction control (ASR)
- Anti-lock Brake System (ABS) with Electronic Brake-pressure Distribution (EBD) and brake assist
- Tire-pressure monitoring system

### Available Packages

- **Cold Weather Package**
  - All-weather floor mats (set of 4)
  - Heated three-spoke multifunction steering wheel with shift paddles
  - Heated rear seats
- **MMI® Navigation plus package**
  - MMI® Navigation plus with voice control system[5]
  - 8.3" MMI® center infotainment/navigation display
  - MMI® all-in-touch with handwriting-recognition technology[6]
  - Audi connect® CARE with limited time subscription[7]
  - Audi connect® PRIME and PLUS with six-month trial subscription[8, 9]
  - INRIX XD® Traffic[10]
  - Audi smartphone interface including Apple CarPlay™ and Google™ Android Auto™[11]

### Stand-alone options

- Rear-passenger thorax side airbags[4]
- Black cloth headliner
- Gray Oak Wood lower inlays
- 19" 255/55 all-season run-flat tires (3.0T)
- 19" 5-V-spoke design wheels with 255/55 all-season run-flat tires (2.0T)
- 20" 10-spoke-star design wheels with Gray/polished finish and 285/45 all-season run-flat tires[12]
- Towing package with 4,400 lb (2.0T)/7,700 lb (3.0T) towing capacity[13]
- Running boards

### Safety

- Driver adaptive and front-passenger dual-stage airbags[4]
- Front-passenger thorax side airbags[4]
- Sideguard® head-curtain airbags[4]
- Lower Anchors and Tethers for Children (LATCH) in rear seats (three pairs of anchors and tethers in second row, two pairs in third row)
- Power central locking system with safety unlock feature if airbags deploy
- Electronic Stability Control (ESC) with Offroad mode, secondary collision brake assist and traction control (ASR)
- Anti-lock Brake System (ABS) with Electronic Brake-pressure Distribution (EBD) and brake assist
- Tire-pressure monitoring system
- Electromechanical parking brake

### Available Packages

- **Cold Weather Package**
  - All-weather floor mats (set of 4)
  - Heated three-spoke multifunction steering wheel with shift paddles
  - Heated rear seats
- **Ventilation package**
  - Second-row side and tailgate window sunshades
  - Ventilated twelve-way power front seats including four-way power lumbar adjustment
- **Warm Weather package**
  - Four-zone automatic climate control with diffuser vent
  - Aluminum-optic diffuser vent trim
  - Second-row side and tailgate window sunshades
- **Driver Assistance package**
  - Audi adaptive cruise control with stop & go and Traffic jam assist[2]
  - Audi pre sense® front[2]- with Turn assist[2]- with Collision avoidance assist[2]
  - Audi active lane assist[2]
  - Traffic sign recognition[2]
  - High-beam assistant[2]
- **Vision package**
  - Audi virtual cockpit (12.3" LCD fully digital instrument cluster with two visual modes: Classic and Infotainment)
  - Top view camera system[2]

### Stand-alone options

- Rear-passenger thorax side airbags[4]
- Black cloth headliner
- Gray Oak Wood lower inlays
- 19" 255/55 all-season run-flat tires (3.0T)
- 19" 5-V-spoke design wheels with 255/55 all-season run-flat tires (2.0T)
- 20" 10-spoke-star design wheels with Gray/polished finish and 285/45 all-season run-flat tires[12]
- Towing package with 4,400 lb (2.0T)/7,700 lb (3.0T) towing capacity[13]
- Running board

### Safety

- Driver adaptive and front-passenger dual-stage airbags[4]
- Front-passenger thorax side airbags[4]
- Sideguard® head-curtain airbags[4]
- Lower Anchors and Tethers for Children (LATCH) in rear seats (three pairs of anchors and tethers in second row, two pairs in third row)

- Tire-pressure monitoring system
- Electromechanical parking brake

### Available Packages

- **Cold Weather Package**
  - All-weather floor mats (set of 4)
  - Heated three-spoke multifunction steering wheel with shift paddles
  - Heated rear seats
- **Luxury package**
  - Heated and ventilated 18-way power individual contour comfort front seats, including four-way and power lumbar adjustment
  - Massage function for front seats
  - Valcona leather seats
  - Extended leather package—Fine Nappa leather door armrests, lower door panels, handle pulls and center console
  - Alcantara® headliner
- **Driver Assistance package**
  - Audi adaptive cruise control with stop & go and Traffic jam assist[2]
  - Audi pre sense® front[2]- with Turn assist[2]- with Collision avoidance assist[2]
  - Audi active lane assist[2]
  - Traffic sign recognition[2]
  - High-beam assistant[2]
- **Adaptive Chassis package**
  - Audi adaptive air suspension with self-leveling, vehicle speed and driving style automatic control logic as well as driver-selectable ride height levels
  - All-wheel steering with vehicle speed-dependent control
- **Titanium-black optic package**
  - 21" Audi Sport® 5-twin-spoke design wheels with Titanium-matte finish and 285/40 summer performance tires[14]
  - Titanium-black Singleframe® grille, roof rails, trim around exterior side windows and door side blade
  - Black exhaust tips

### Stand-alone options

- Bang & Olufsen® 3D Advanced Sound System with 23 speakers, 23-channel BeoCore amplifier with ICEpower® technology and 1,920 watts
- Night vision assistant with pedestrian and large animal detection
- Rear-passenger thorax side airbags[4]
- Black cloth headliner
- Black Alcantara® headliner
- Gray Oak Wood lower inlays
- 21" Audi Sport® 5-twin-spoke design wheels with 285/40 summer performance tires[14]
- Towing package with 7,700 lb towing capacity[13]

1. SiriusXM® Satellite Radio and SiriusXM® Traffic subscriptions are sold separately or as a package after trial period and are continuous until you call SiriusXM® to cancel. See Customer Agreement for complete terms and more information at [www.siriusxm.com](http://www.siriusxm.com). SiriusXM® Traffic service available in select markets. SiriusXM® U.S. Satellite Service available only to those in the 48 contiguous U.S.A., D.C. and Puerto Rico (with coverage limitations).

2. Driver Assistance features are not substitutes for attentive driving. Please see your owner's manual for further details and important limitations.

3. See owner's manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

4. Airbags are supplemental restraints only and will not deploy in all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

5. MMI® Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system and existing wireless and satellite technologies must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested MMI® Navigation plus route. Mapping updates are available at no charge for the first five map updates and are subsequently available on a subscription basis.

6. Always pay careful attention to the road, and do not drive while distracted. See owner's manual for further details and important limitations.

7. Always pay careful attention to the road, and do not drive while distracted. Connect CARE services are provided with the support of authorized affiliated and third-party service providers. Available on select models. Connect CARE services are activated prior to purchase or lease and do not require registration or paid subscription. Connect CARE services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Connect CARE services are subject to technologies remaining commercially available, and such service is not guaranteed and may not be available after December 2021 for equipped Model Year 2017–2019 vehicles. See Terms of Service, Privacy Policy and other details at [www.audiusa.com/privacy](http://www.audiusa.com/privacy) and [www.audiusa.com/technology/intelligence/audi-connect/connect-terms](http://www.audiusa.com/technology/intelligence/audi-connect/connect-terms). Connect CARE services should be used only when it is safe and appropriate.

8. Always pay careful attention to the road, and do not drive while distracted. Connect PRIME services are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. Trial or paid subscription required. Connect PRIME services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth™ features will not be available after December 2020 for Model Year 2018 and older vehicles. Google Earth is a trademark of Google Inc. See Terms of Service, Privacy Policy and other details at [www.audiusa.com/privacy](http://www.audiusa.com/privacy) and [www.audiusa.com/technology/intelligence/audi-connect/connect-terms](http://www.audiusa.com/technology/intelligence/audi-connect/connect-terms).

9. Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi® hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.

10. INRIX XD® Traffic is available on Model Year 16+ A6, A7, TT, RS and Model Year 17+ A3, A4, Q7, allroad®, MY18+ A5, Q5 vehicles and is included with an Audi connect® subscription. Excludes Audi MY 19 and older Q3 and A8.

11. Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. These features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. "Android," "Android Auto," "Google Play," and other marks are trademarks of Google Inc. "Apple CarPlay" is a trademark of Apple Inc.

12. These tires may ride less comfortably, make more noise, and wear more quickly than other choices. To avoid tire, rim, or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. Tires are supplied and warranted by their manufacturer.

13. Maximum tow rating when properly equipped with towing accessories. Other accessories and options may reduce maximum towing capacity. See vehicle owner's manual for details.

14. These tires may ride less comfortably, make more noise, and wear more quickly than other choices. To avoid tire, rim, or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. High performance tires are designed for optimum performance and handling in warm climates and are not suitable for cold, snowy, or icy weather conditions. When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Tires are supplied and warranted by their manufacturer.

 Recommended fuel: **Premium**

1. 2018 EPA estimates not available at time of publication. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for 2018 EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

2. Always obey all speed and traffic laws.

3. Top track speed is electronically limited in the U.S. Always obey all speed and traffic laws.

4. Maximum tow rating when properly equipped with towing accessories. Other accessories and options may reduce maximum towing capacity. See vehicle owner's manual for details.

5. Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
