I. VEHICLE SELECTION

A. This is your (the service member) vehicle selection/specification sheet for the motor vehicle you have selected and optional equipment from Auto Exchange. As a member of the US Military, you may only purchase this unit through an official procurement agency such as the CMWRF or USAFE Services in order to be exempt from VAT/MwST.

The following procedure must be followed:

1. This document indicating your vehicle selection will be used to complete a Procurement Agency purchase order on your behalf.
2. You must request that the Procurement Agency make this purchase on your behalf by completing their official procedures. Auto Exchange cannot contract directly with you under any circumstances.
3. The Procurement Agency will issue a purchase order on your behalf to Auto Exchange and issue payment of the vehicle.

B. Order Acceptance - The Order Acceptance will be mailed to you after the Procurement Agency issues their purchase order. Acceptance of stock orders will be contingent on the availability of the vehicle. We will promptly notify you if the selected vehicle is available. The Order Acceptance will list the motor vehicle model, color, optional equipment, price, the place and date of delivery. If it is not in compliance with your vehicle selection specification, as to price, specifications or delivery date, please advise the Procurement Agency and Independent Sales Agent, in writing, within ten (10) days of receipt with any objections.

II. PAYMENT

III. CANCELLATION OF PROCUREMENT AGENCY ORDER

In the event that you cannot complete this transaction through the Procurement Agency, please notify Auto Exchange and the Procurement Agency immediately to minimize any financial penalties.
