A WORD ABOUT LOW ASPECT RATIO AND HIGH PERFORMANCE TIRES

High performance tires are designed for better performance and handling in warm climates. When driving in cold, snowy or icy weather, you should equip your vehicle with four all-season or winter tires, which offer better traction under those conditions.

We suggest you use the Audi recommended winter or all-season tires specified for your Audi.

High performance tires also have a lower aspect ratio that aids performance and handling.

Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles can cause serious damage to wheels, tires, vehicle body and suspension parts.

Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low profile tires.

Please also remember when making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than others. Finally, these tires may wear more quickly than other choices.

It is important that the inflation pressure is regularly checked and maintained at recommended levels.

For more information on all of these topics, please consult the owner's manual, your local dealer, or call 1-800-FOR-AUDI.

Audi of America believes the information and specifications supplied in this ordering guide to be correct at the time of publishing. However, specifications, standard equipment, and options are subject to change without notice. For the latest information about standard equipment, please always refer to the vehicle specification page on AccessAudi.com

Audi exclusive Ordering Processes

Custom Paints

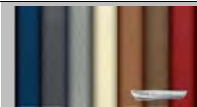

COLORS: - Portfolio of pre-approved paints (6 to 8 weeks delay to be added to a standard factory build)
- Please contact the Audi exclusive team to verify feasibility of special requests (Paint to sample, paints from other Audi models, from other manufacturers)

OMD WEB: 1.) Select Q0Q0 generic exterior paint option
2.) Comment section: enter both paint code and paint name (i.e. T3T3 Nardo gray)

VALUE: Option Q0Q0, gloss finish paints are valued at \$3,900

MODELS: Custom paints are currently available on A5/S5 Cabriolet models

Audi exclusive exterior paint option code must be entered when vehicle is in Status 05 and before production is scheduled
Once allocation is received and commission is submitted to the Manufacturer, Audi exclusive orders can no longer be modified

Tailored Upholstery

COLORS: - Portfolio of pre-approved leather and stitching colors (6 to 8 weeks delay to be added to a standard factory build)

OMD WEB: 1.) Include option AEO
2.) Contact the Audi exclusive Team to discuss design, begin quote and manual build sheet

VALUE: Values and description of elements are listed in the Audi exclusive Order guides for the available models

MODELS: Tailored Upholsteries are currently only available in the S5 Cabriolet w/ S Sport Seats

Audi exclusive option code AEO must be entered when vehicle is in Status 05 and before production is scheduled
Once final confirmation is received and the manual order form is submitted to the Manufacturer, Audi exclusive orders can no longer be modified

Wood Inlays

COLORS: Wood Inlays are listed in the Audi exclusive Order guides in the available models

OMD WEB: 1.) Include option AEO
2.) Describe the wood inlay in the comment section of OMD web and contact the Audi exclusive team

VALUE: Values are listed in the Audi exclusive Order guides in the available models

MODELS: Audi exclusive wood inlays are currently available in the A5 and S5 Cabriolet models

Audi exclusive option code AEO must be entered when vehicle is in Status 05 and before production is scheduled
Once final confirmation is received and the manual order form is submitted to the Manufacturer, Audi exclusive orders can no longer be modified
