### Equipment

**2006 Audi A6 Avant**

#### Legend
- x = Standard
- O = Optional
- P = Package
- - = Not available

#### Technical

- 3.2 (3123 cc) DOHC 4-valve 255hp 243lb/ft torque LEV1 V6 engine. All aluminum block and heads with FSI Direct Injection technology, maintenance free chain drive timing belt, 4 valve 2 stage intake, balance shaft for smoother running.
- 6-speed automatic transmission with Tiptronic®
- ESP 8.0: Electronic Stabilization Program with hydraulic brake assist: Networked ABS, EBD, ASR and EDL to stabilize the car's dynamic movements in a critical situation by controlled braking of individual wheels and/or engine management intervention.
- quattro® IV permanent all-wheel drive system with Torsen® torque sensing center differential
- Anti-lock brake system with Electronic Differential Lock (EDL) and electronic rear brake pressure distribution
- CFC-free (ChloroFlouroCarbon) air conditioning refrigerant
- Fully galvanized steel unibody construction with aluminum hood and fenders
- Electromechanical parking brake (operated by switch in console/ replaces mechanical linkage). Will also function as an emergency braking feature.

#### Exterior Lighting

- "Puddle" lights in all four doors
- Door area lighting in outside mirrors
- Rear brake and tail lights in two sections, in LED technology with wide light element
- Center high mounted third brake light integrated into rear spoiler
- "3 blink" one touch to pass lane change feature in turn signal
- Two white reverse lights in rear tail lamp assembly
- White side turn indicator lights in front fenders with amber shine-through bulbs
- Center high mounted third brake light integrated into rear spoiler
- Two "Puddle" lights in all four doors

#### Exterior

- All new one piece trapezoidal shape grille
- Bright roof rail design: Single piece, jointless, made from anodized aluminum; mounted directly on the roof panel, to emphasize the couple like roof line, improve aerodynamics, and reduce wind noise when the car is in motion.
- 5 MPH (Federal standard) bumpers, painted in body color
- Bumper covers contoured to be flush with body surface and profile
- Dual chrome strips on front bumper cover license plate bracket (replaces front plate prep) or front license plate bracket for states/ provinces that require front plates
- Body color door handles with aluminum trim
- Aluminum door sills
- Bright aluminum look trim around side windows and top of door handles
- Body color outside mirrors; left side flat, right side convex
- Metallic paint at no extra charge
- Chrome strip on trunk lid
- Exposed dual exhaust tailpipes with polished round section
- Power glass sunroof with slide/tilt function, sunshade and pinch protection
- Nomenclature: - A6 on rear tailgate - left
- Nomenclature: - 3.2 on rear tailgate - right
- Nomenclature: - Four rings on center of rear tailgate & front grille
- Nomenclature: - 80 mm "quattro" badge on:
  - rear tailgate - right
  - front grille - right
  - Passenger dashboard belt line trim - right

#### Exterior Lighting

- Halogen headlights, free-form reflectors with clear glass covers and electric beam angle adjustment
- Coming Home Leaving Home lighting feature for exiting and entering car (fog lights & lights under side exterior mirrors are automatically switched on when exiting vehicle and turned off when car is locked.
- Adaptive Bi-Xenon high intensity headlights
- Programmable daytime running lights (only with Bi-Xenon headlights in US)
- DRL in front fog lamps on at all times (Canada only)
- Two front fog lights located in lower bumper
- Two rear fog lights
- "3 blink" one touch to pass lane change feature in turn signal
- Two white reverse lights in rear tail lamp assembly
- White side turn indicator lights in front fenders with amber shine-through bulbs
- Center high mounted third brake light integrated into rear spoiler
- Rear brake and tail lights in two sections, in LED technology with wide light element
- Door area lighting in outside mirrors
- "Puddle" lights in all four doors

### Interior Lighting

- Interior lights in front and rear headliner with fade-in and fade-out feature, time delay and automatic switch on when key is withdrawn from ignition
- Front and rear reading lights in front and rear
- Illumination for interior door release handles
- Overhead console lighting directed onto center console and front and rear doors trims
- Active reflectors in all doors
- Front door exit lights
- Front and rear footwell lighting using LED technology
- Illuminated glove box, rear cargo area, lighter and ashtray

### Comfort and Convenience

- Automatic dual zone climate control "plus" system with indirect rear seat-area ventilation control via B-pillar outlets; separate air distribution controls for driver and front passenger; combined pollutant and pollen filter; automatic recirculated-air function; air quality, humidity and sun angle sensors.
  - Separate temperature control for driver and front passenger, recirculated-air mode, low operating noise
  - Power windows with:
    - power retention (until either front door is opened)
    - "one-touch down" and "one-touch up" for all four windows
    - "pinch-protection" for all four windows (reverses window at force >100N)
    - driver controlled individual lock out switches for each rear power window/door
- Electronic cruise control with coast, resume and accelerate features
- Adaptive cruise control: Maintains the distance from vehicles ahead automatically with the aid of a radar sensor and by braking or accelerating; various distance values can be input via the MMI; includes cruise control and color driver information center.
- Power adjustable auto dimming/ folding exterior mirrors with memory
- Electrically adjustable heated outside mirrors
- Electric rear window defogger with automatic timed shut off feature
- Power central locking system with radio-operated remote control for doors, tailgate and fuel door with selective unlocking (enables unlocking of a single front door or all doors), plus:
  - convenient close feature for windows & sunroof (functions by holding key in lock position)
  - interior central locking control on driver's door
  - automatic door lock release if airbag inflates
  - delayed interior light switch off
  - convenient open for windows (functions by holding key in unlock position)
- Radio frequency remote locking system with selective lock/unlock, remote trunk opening and panic function, remote also activates interior lights and alarm system
- Power tailgate with adjustable opening angle (soft touch and keyfob release standard) and pinch protection
- Manual sunshades for rear side door windows and rear tailgate window.
- Interior fuel door and trunk releases on driver's door
- Power tailgate with adjustable opening angle (soft touch and keyfob release standard) and pinch protection
- One 12V front accessory power outlets in flip up cup holder, center console
- One 12V rear accessory power outlet for rear seat passengers
- One 12V accessory power outlet in rear cargo area
- Cigarette lighter in ashtray, front center console that may be used as a 12V accessory power outlet
- 4 assist handles in headliner with slow retraction feature
- Rear seat pass through with removeable ski bag
- 2 Folding ignition key fobs with remote controls (with rear tailgate release)
- Advanced key: new access and driver authorization system combining a high level of safety with innovative operating convenience. Doors can be locked and unlocked without active use of the car's ignition key; the engine is started with a button on the center console next to the gear shift knob, without the ignition key having to be inserted.
- Emergency key
- Valet Key
- Valet button above HVAC controls to lock glove box
- HomeLink® 3 channel remote garage door opener located in overhead console above inside rear view mirror
### Seating

- Leather seating surfaces
- Volterra premium full leather upholstery (seats, armrest, & door panel inserts) x
- 12-way power front seats including 4-way power lumbar adjustment and lockable head restraints x
- 3 adjustable head restraints for rear outer seats x
- Storage drawer under front seats P
- Front sport seats including side bolstering and driver's side manual thigh extender (requires Volterra leather) O
- Storage nets on front seat backs x
- Split folding rear seat with lockable seat backs x
- 2-position memory for driver's seat & mirrors P
- Front heated seats x
- Rear heated seats with separate controls in rear of center console P

### Interior

- Leather shift knob x
- Full length center console with:
  - storage area under front center armrest x
  - adjustable rear passenger air vents and rear power outlet x
- 2 front cup holders, one under center console, one in center flip open storage unit back of MMI control knob x
- Two retractable cup holders in rear center armrest x
- Front ashtray in center of dash area x
- Two rear ashtrays, one in each rear door handle area x
- Rear seat HVAC vents under front seats x
- 12 total HVAC vents in front passenger area x
- Genuine wood inlays in instrument panel, center console, and door panel x
- Front and rear floor mats x
- Tool kit located in storage compartment in luggage area x
- Coat hooks (2) in rear roof area x
- Fold down rear center armrest integrated into seat back x
- Glove box in front passengers' side of dash panel, remote release button in instrument panel and valet function x
- Eyeglass compartment in overhead console above inside rear view mirror x
- Auto dimming interior mirror with digital compass P
- Power outlet in rear cargo area x
- Retractable & removable rear luggage area partition (dividing) net (attached to rear 2/3 seat back) x
- Cargo area rail system to vary the position of the load securing lugs x
- Load securing lugs; four variable lengthwise-adjustable tie down rings can be repositioned to secure cargo. x
- Rear cargo net, passenger side storage area x
- Load retaining kit for the rail system in the rear cargo area (Fixing Set) consisting of a telescoping arm and attachment belt(retaining strap), to divide up the load area in the desired proportions and secure loose objects. x
- Retractable floor with full size spare underneath x
- Cargo cover, detachable and retractable, can be pulled out with one hand x
- Aluminum sill in rear cargo area x
2006 Audi A6 Avant
Equipment

Instrumentation and Electrical Equipment

- **Bluetooth® Cell phone preparation**: x
- **Backlit instrument cluster with automatic brightness control with (tear drop style gauges)**:
  - tachometer, speedometer, digital clock with date, fuel gauge,
  - temperature gauge, white illumination with red pointers
- **Digital odometer with service interval indicator**: x
- **Color Driver Information display (available only with adaptive cruise control or Audi DVD Navigation)**:
  - outside temperature display plus 5-function trip computer
  - radio/telephone display
  - active Auto Check system with speed warning device
  - pictogram display for open door and deck lid
- **Anti-theft vehicle alarm system with blinking theft deterrent light**: x
- **MMI (Multi Media Interface) with 7" high resolution TFT color display screen, extended radio system with double tuner and integral operating concept with DSP.**: x
- **DSP sound system with 10 speakers, 6 CD changer glove box, AM/FM radio, aerial diversity, operated by MMI. Includes dynamic station list that continuously updates radio stations based on signal strength.**: x
- **CD softbag. Separate pouch for up to 24 CDs.**: x
- **Bose® Premium Surround Sound System with 13 speakers and noise compensation Audio Pilot®**: x
- **Satellite radio preparation**: x
- **Satellite radio (Choice of XM® or Sirius®)**: O/P
- **Voice Recognition (controls cellular phone, CD, radio, and DVD Navigation)**: x
- **Battery energy management system using sensors to monitor the optimum supply of electricity to vehicle when parked and when driving.**: x
- **Audi DVD map-based navigation system (with body colored roof mounted antennae). One DVD for all US and Canada (except Alaska).**: O/P
- **Retained accessory power- allows use of various electronic features (radio/CD/windows/ etc.) after key is removed from ignition. Duration varies depending on energy management system. Ends if front door(s) opens.**: x
- **Trunk mounted battery with positive battery post in engine compartment**: x

Safety

- **Double pull on all interior door handles to unlock**: x
- **Rain / light sensor**: x
- **Windshield wipers with large sweep area and 4-position interval rates (rainsensor operates in interval mode)**: x
- **Rear window wiper with automatic wash wipe action; single wipe when reverse gear is selected while front wipers are in use**: x
- **Driver and front passenger advanced dual-stage airbag supplemental restraints**: x
- **Dual front seat-mounted side airbags in front seat backs**: x
- **Dual rear seat-mounted side airbags**: O
- **“SIDEGUARD™” head curtain airbags**: x
- **Front 3-point safety belts with automatic pretensioning, height adjustable upper mounts and belt force limiters**: x
- **Three rear 3-point safety belts with automatic pretensioning**: x
- **Front passenger and rear safety belts with Convertible Locking Retractors (ELR and ALR modes)**: x
- **Seatbelt reminder for driver and front passenger**: x
- **Alarm system with tilt sensor (no interior monitoring)**: x
- **ISOFIX and upper rear child safety seat anchors**: x
- **LATCH System for outboard rear seating positions**: x
- **Separate left and right child-safety rear door window lockout feature, electronically controlled from drivers door**: x
- **Central locking system with safety unlock feature (unlocks doors and turns on interior lights if airbag deploys)**: x
- **Head restraints at all five seats, active front seat head restraints**: x
  - Front restraints pivot forward in the event of a rear-end impact, to optimize protection against whiplash
  - Active restraints in rear of all doors
  - First aid kit in rear center armrest
  - Immobilizer III transponder system
  - Rear parktronic acoustic parking system with audible warning to assist with parking
