

2007 RS 4 Sedan
Equipment

		2007 RS 4 Sedan
Legend		
x = Standard o = Optional - = Not available		
General Technical		
• 4.2 liter 420 hp DOHC 4-valve V8 FSI Direct Injection high-revving (8250 rpm) engine; 317 lb-ft. torque		x
• 6-speed manual transmission with synchronized reverse gear; dual mass flywheel		x
• Four-wheel Anti-lock Brake System (ABS) with Electronic Brake pressure Distribution (EBD)		x
• Tire Pressure Monitoring System		x
• "quattro" - permanent all-wheel drive system, with asymmetrical/dynamic 40/60 rear-biased torque split		x
• Fully galvanized sheet metal (RS 4 front fenders and engine cover made from 100% aluminum)		x
• ESP (Electronic Stabilization Program), version 8.0 with brake disc wiping. System also includes ABS / EBD / EDL / ASR		x
Wheels / Tires		
• 9J x 19 ET (offset) 29 mm, 7 double-spoke alloy wheels with 255/35 high-performance tires		x
• Tire mobility system		x
Suspension / Steering / Brakes		
• Front ventilated 8-piston floating disc brakes; 14.4 in (365 mm); cross-drilled rotors; "RS" logo on calipers		x
• Rear ventilated 1-piston floating disc brakes 12.8 in (324 mm); cross-drilled rotors; "RS" logo on calipers		x
• Four-wheel Anti-lock Brake System (ABS) with Electronic Brake pressure Distribution (EBD)		x
• Brake Assist, automatically senses emergency braking and applies maximum available power boost to reduce overall stopping distance		x
• RS 4 suspension: Dynamic Ride Control featuring a central valve unit transferring pressure equally or side-to-side to greatly reduce pitch and roll; lowered by 30 mm compared with normal A4 suspension		x
• Servotronic electronically controlled speed-sensitive close ratio power steering for more sporty driving / handling		x
• Tilt and telescopic manually adjustable steering column		x
Exterior Features		
• USA compliant front and rear bumpers for RS 4		x
• Single-frame front grill design featuring "RS" honeycomb grille pattern and brushed aluminum trim		x
• Roof antenna: DVD GPS Nav, Satellite Radio, Telephone		x
• Glass Sunroof: tilt/slide		x
• Exterior mirrors: Distinctive RS 4 aluminum finish mirrors with two-prong attachments; heated for all weather conditions		x
• Retractable high pressure headlight washers concealed in the front bumper, operated when headlights are on and wiper stalk is pulled back		x
• Heated windshield washer nozzles		x
• Satellite radio preparation with exterior antenna signals for Sirius satellite radio		x
• Metallic / Pearl Effect paint		x
• RS 4 Exterior features, including:		x
- 1.5 inch wider track than S4		
- Brushed aluminum trim on front grill and side window trim		
- "RS" honeycomb patterns on front grille and rear exhaust pipe diffuser area		
- All new sheetmetal (RS 4 front hood and fenders made of 100% aluminum), except doors/roofline from A4/S4		
- Flared rocker panels between wheel housing areas		
- "RS" oval exhaust pipes and rear diffuser		
• Nomenclature:		x
- RS 4 on rear deck lid, left center		
- RS 4 on passenger side of upper front grille		
- Four rings on top center of rear deck lid		
- Four rings on top center of front grille		
- 85 mm quattro badge on dashboard belt line trim		
- "V8" badge under side turn blinker lights		
Exterior Lighting		
• Bi-xenon headlights with automatic self-leveling		x
• Adaptive Front Lighting System (pivots with steering wheel direction at certain speeds)		x
• Two front fog lights located in lower front bumper		x
• One rear fog light in left rear light for visibility in foggy/rainy/snowy weather conditions		x
• Rear light assemblies with red coloring and red flashing signal blinker bulbs		x
• Daytime running lights utilizing front lighting (US: Customer-programmable with bi-xenon)		x
• White side turn indicator lights in front fenders with amber shine-through bulbs		x

Comfort / Convenience	
• Dual-zone climate control system: fully automatic with seven temperature sensors, sun sensor and pressure sensor. Also includes active charcoal and electrostatic filters, which sense pollen, odors, bacteria and dust.	x
• Rain sensor: operated by pulling right-hand windshield wiper stalk up one notch into intermittent mode; sensitivity also adjustable within stalk.	o
• Light sensor: operated by adjusting exterior light switch to "Auto"	o
• HomeLink™ universal garage door opener in driver's sunvisor	o
• Front and rear power windows with:	x
- two stage button mechanism	
- power retention feature: keeps power for windows and sunroof on until either front door open	
- "pinch protection" for all four windows which reverses window at force of 100 N or greater	
- "one-touch" up and down for front and rear windows at all window locations	
- illuminated driver controlled lock out switch for rear power windows	
• Electronic cruise control (two-stage switch) with coast, resume, speed-up, controlled by a lever on left side of steering wheel; cruise control indicator located in the instrument panel	x
• Auto-Blink feature enables turn signals to automatically blink three times when blinker lever briefly pushed up/down (common when changing lanes)	x
• Power central locking system (doors, deck lid and fuel door) with selective unlocking (enables unlocking of a single front door or all doors), plus:	x
- convenience open and close feature for windows & sunroof (opens / closes all windows and sunroof when key held in driver lock / unlock position)	
- front master switches located in driver and front passenger doors, include LED's to signal when vehicle is locked.	
- rear master switch located in center console, under ashtray. The switch is used for locking all doors. It's a lock-only switch, and it includes LED to signal when the vehicle is locked.	
- central locking automatically locks when vehicle reaches 8 MPH.	
• Four-position driver side memory for seat and mirror adjustments	o
• Height adjustable front seat belt sliding controls on B-pillar interior trim	x
• Electrically adjustable outside rearview mirrors with heating feature. Heating is automatically activated when outside temperature is less than 59 degrees F. When outside temperature reaches 77 degrees F, heating automatically stops.	x
• Exterior Mirrors: auto-dimming/memory - interior controls inside driver door	o
• Illuminated vanity mirrors in left and right front sunvisors	x
• Interior lights in front and rear headliner with fade-in and fade-out feature, time delay and automatic switch on when key is withdrawn from ignition	x
• Illuminated glove box, rear cargo area, lighter and ashtray, and footwells	x
• Ski sack	x
• Third, middle sunvisor above rearview mirror	x
• Four assist handles in headliner with slow retraction feature	x
• Rear deck lid release with "soft touch" opening feature and remote deck lid release located in driver's door	x
• Sport mode button on center console controls; activates louder exhaust note and more aggressive accelerator mapping	x
• Lap timer, controlled by driver information display toggle switch on wiper stalk	x
• Sunroof (glass), featuring tilt and sliding controls, sliding visor shade	x
• Sunroof (solar panel replaces see-through glass), tilt/slide controls; transfers energy to climate control while car is not in motion (Fall 2006)	o
• Extended range (up to 150 ft.) radio frequency remote locking system with security "rolling code" feature, selective unlock, remote trunk opening and panic function, also activates interior lights and alarm system - all integrated in folding key	x
• Advanced front lighting with standard bi-xenon lighting that pivots with steering wheel motion for optimal night driving visibility	x
• Steering wheel: 3-spoke design multifunction, RS 4 logo and 100% circumference leather perforation	x

Legend	
x = Standard o = Optional - = Not available	
Seating	
• 12-way Recaro(R) sport power front (driver & passenger) seats including 4-way electric lumbar adjustment and adjustable head restraints; RS 4 logo embossed in seat back silk nappa leather, piping edge around seat seams	x
• Heated front and rear seating (optional in USA)	o
• Storage tray under front driver and passenger seats	x
• Front seat-back map net pockets	x
• 60/40 split folding rear seat with individual locks and red indicators when seatback is not properly latched	x
• 3-point safety belts for all front and rear positions (total of 5)	x
• 3 adjustable head restraints for rear seats	x
Interior	
• Genuine Silk Nappa full-leather seat upholstery; door inserts, front / rear center armrest;	x
• RS 4 Carbon Fiber ("Carbon 800") interior beltline trim on dashboard, door panels, center console and front / rear ashtrays	x
• Sunshades: Power rear and manual rear side doors	o
• Brushed aluminum interior beltline trim by quattro GmbH	o
• Steering wheel: multifunction volume / station changing / push-to-talk button, 3-spoke sport design with RS 4 logo	x
• Leather covered transmission shift boot and hand brake handle	x
• Folding front center armrest with adjustable height and dual cupholder	x
• Automatically dimming interior mirror with digital compass	o
• Center Console: <i>US/Canada-specific</i> , full length; emergency brake lever moved several millimeters toward driver seat to accommodate dual integrated cupholders	x
- 12 V power outlets (SAE) (1) ashtray in front of gear shift knob (2) w/in console	
- 2 integrated cupholders with spring-loaded size adjustment tabs	
- front center armrest	
- Front and rear ashtray	
- storage area under center armrest	
• Folding down rear center armrest	x
• Dual rear cupholder located in the rear center armrest	x
• Protective door sill trim with RS 4 logo	x
• Climate control panel (in center console) with integrated heated seat switches (when heated seats ordered)	x
• Sport mode button on center console controls; activates louder exhaust note and more aggressive accelerator mapping	x
• Ambient red lighting in headliner for dash and center console	x
• Illuminated air vent controls in dashboard	x
• Four tie-down eyelets in trunk	x
• Front and rear floor mats with fastening mechanism	x
• Tool kit located in the spare wheel well	x

Legend		2007 RS 4 Sedan
x = Standard o = Optional - = Not available		
Instruments / Electrical equipment / Infotainment		
• 450 A Battery (95 AH)		x
• Roof antenna: DVD GPS Nav, Satellite Radio, Telephone		x
• Concealed rear glass antenna: Multi-channel FM, AM, and remote lock/unlock/panic		x
• Backlit instrument cluster with automatic brightness control including following features:		x
- sporty, tubular gauge design with RS 4 logo		
- white numbering with red pointers, digital clock with date		
- tachometer, electronic speedometer		
- fuel gauge, coolant temperature gauge		
- various additional warning lights		
- color driver information display (described below)		
• Digital trip odometer with service interval indicator		x
• Eight color driver information display including:		x
- 5-function trip computer (timer / miles-to-empty / average MPG / average MPH / instant MPG)		
- outside temperature display		
- radio / navigation display		
- Auto Check system which constantly monitors various functions and components within the vehicle, such as Battery voltage, brake pad indicator, Oil level indicator, Washer fluid indicator, and more.		
- speed warning device		
- pictogram display for open door and trunk		
- Integrated lap timer controls exclusive to RS 4 sedan		
• Concealed headlight washer system, integrated in the front bumper		x
• Windshield wipers with 4-position adjustable intermittent interval rate		x
• Heated windshield washer nozzles		x
• Bluetooth phone preparation and voice control		o
• Third generation Audi Symphony radio (with and without Bose), featuring new faceplate with larger buttons & ease of use (Fall 2006 avail):		x
- Presets: 18 AM / 18 FM / 21 Satellite Radio		
- digital AM / FM tuner in combination with phase diversity antenna system		
- in-dash six-disc CD changer with new MP3 reading capability		
- random mode for individual CD's as well as entire CD changer		
- RDS (Radio Data System) displays radio station call letters and other information		
- "Autostore" function which automatically selects 6 AM and 6 FM strongest stations in the area		
- theft deterrent design which only fits an Audi vehicle		
- GALA (Graduated Audio Level Adjustment) varies volume based on vehicle speed: NOTE: deactivated with Bose AudioPilot noise compensation		
- Satellite radio preparation: Sirius		
• Audi Navigation Plus (with or without Bose):		o
- AM/FM bands		
- Satellite radio prep: Sirius		
- 1 disc DVD to cover all of US and Canada		
- Full color, map-based navigation screen featuring programmable birdseye view & day or night background display		
- MMI control logic with similar screen design and font		
- SD card inserts (2) to store MP3 data (music) to transfer into radio controls		
- GALA (Graduated Audio Level Adjustment) varies volume based on vehicle speed (deactivated if equipped with Bose AudioPilot system)		
- theft deterrent design which only fits an Audi vehicle		
- Part of package with glovebox 6-CD changer		
- LCD Screen Dimensions: 3 in. vertical; 5.5 in. horizontal; 6.25 in. diagonal		
- 5 menu language settings and voice guidance (English/French/Spanish/Italian/German)		
• 10-speaker sound system:		x
- four speakers in front doors (2 per door)		
- four speakers in rear doors (2 per door)		
- subwoofer and front centerfill speaker		
• CAN network, including 3 fully functional CAN circuits (Infotainment / Comfort / Powertrain)		x

Legend	2007 RS 4 Sedan
x = Standard o = Optional - = Not available	
Instruments / Electrical equipment / Infotainment, continued	
• Rear window defroster. When activated, defroster remains continuously on when outside temperature is 32 degrees F or below. When temperature is 33 degrees F or above, function automatically turns off after approx. 10 minutes.	x
• Advanced anti-theft vehicle alarm system with following features:	x
- theft deterrent light in driver's door	
- ultrasonic interior monitoring system with defeat switch in driver's door	
- back-up battery in case main vehicle battery is disconnected	
- III. Generation Immobilizer prevents engine start when key with automatically changing electronic code feature is not used; B7: new key fob design	
- back-up horn	
- tilt sensor which prevents theft by towing; function can be defeated by switch located in driver's door	
- system automatically arms when vehicle locked	
Safety / Security	
• Valet key: cannot open glovebox, lockable folding rear seats and rear trunk	x
• 60/40 split folding rear seat with individual locks (sedan); cannot be unlocked with valet key	x
• Four-wheel Anti-lock Brake System (ABS) with Electronic rear Brake pressure Distribution (EBD)	x
• Brake Assist, a system which automatically senses emergency braking and applies maximum available power boost to reduce overall stopping distance	x
• Advanced airbags (FMVSS 208), 2-stage including occupant protection; indicated in cabin by "Pass Airbag off" amber indicator light above radio	x
• Driver and front passenger seat mounted side airbag supplemental restraints	x
• SIDEGUARD Inflatable Curtain Airbags; extend from A-pillar to C-pillar on each side of the vehicle	x
• Rear passenger side airbag supplemental restraint system	o
• "Up front" crash sensors (2), which include integrated system of 6 sensors throughout the vehicle which can best determine severity of a crash, and can therefore better deploy technology designed to protect the passengers.	x
• If crash sensor system is activated, following will happen automatically:	x
- central locking automatically unlocks; - interior lighting is switched on	
- fuel pump and engine are switched off; - hazard warning lights are switched on	
• Impact protection, including reinforced high strength steel / aluminum crossmembers, reinforced bumpers, and rigid occupant cell	x
• Side intrusion beams in side doors which ensure equal distribution of forces in case of side impact	x
• Strong B-pillars for increased side crash performance (IIHS "double best pick" for frontal and side crashes for Audi A4)	x
• Dual front driver and passenger seat belt indicator chimes	x
• Fuel tank within protective bodywork structure with special safety valves which prevent gravitational fuel spillage in case of rollover	x
• LATCH (Lower Anchors and Tethers for Children) provisions in rear seats	x
• Tire Pressure Monitoring System	x
• Three rear head restraints	x
• Two front fog lights located in lower front bumper	x
• Integrated child locks in rear doors	x
• One rear fog light in left rear light	x
• Rear parktronic - sensors help detect objects while moving in reverse	x
• Front 3-point safety belts with automatic pretensioning, height adjustable upper mounts and belt force limiters	x
• Three 3-point rear safety belts with automatic pretensioning	x
• Front passenger and rear safety belts with ALR (Automatic Locking Retractor, a ratcheting mechanism for conveniently securing a child seat)	x
• Front seats include a high strength steel reinforcement construction to protect from side rear impact; additional protection against loose loads sliding forward during heavy braking	x
• Seatbelt buckle sensors - front passengers: control airbag deployment based on passenger seat belt use	x
• Emergency rear door unlocking mechanism adjacent to the child locks	x
• Auto-Blink feature enables turn signals to automatically blink three times when blinker lever briefly pushed up/down (common when changing lane)	x
• Active reflectors in rear of all doors	x
