

OVERVIEW

Highlights:

- ▶ Audi TT and TTS Classic Coupe and Roadster models available
- ▶ TT and TTS both offer standard Audi quattro® all-wheel drive, which helps provide superior traction and outstanding handling
- ▶ ASF® all-aluminum space frame provides exceptional rigidity, lightweight design that helps provide excellent performance and efficiency*
- ▶ Both TT and TTS models are fitted with revolutionary six-speed S tronic® dual-clutch automatic transmission. This revolutionary gearbox combines the advantages of a conventional 6-speed manual-shift gearbox with the qualities of a standard automatic transmission

Lineup Changes for 2014 Include:

- ▶ Single trimline for all 2014 TT/TTS models – eliminates the Premium Plus and Prestige designations
- ▶ TT RS no longer available for the 2014 Model Year
- ▶ BOSE® Sound System now standard on TT and TTS models
- ▶ LED interior lighting now standard on TT and TTS models
- ▶ S line® exterior now standard on TT models
- ▶ S line Competition package, available on both TT Coupe and Roadster models now includes gray brake calipers
- ▶ New Black Optic package available on TTS models
- ▶ Enhanced leather package (instrument cluster cover, door armrest and armrest, handbrake cover) now standard on TT/TTS models
- ▶ Center console in Black leather with color leather interiors (except Madras Brown)
- ▶ Bi-color exclusive Fine Nappa interior packages on TTS models now include steering wheel bottom in matching colors (Crimson or Titanium)
- ▶ Navigation package now includes rear acoustic parking sensors
- ▶ Adaptive headlights now standard on TTS models

*Your mileage will vary and depends on several factors including driving habits and vehicle condition.
