

# OVERVIEW

## Highlights:

- ▶ All-new for 2016, the Audi TT boasts an exciting new design, characterized by the use of innovative technologies and driver-focused orientation
- ▶ Audi TT Coupe and Roadster models available. TTS available as a coupe
- ▶ TT features a broader and flatter Singleframe® grille and sharp contours across the hood where the Audi rings are now prominently positioned, centrally mounted, round exhaust tailpipes and electric rear spoiler
- ▶ Now available for the TT are full LED headlights, as standard equipment.
- ▶ The all-new and innovative virtual cockpit, an entirely digital instrument cluster, revolutionizes the way the driver interacts with the vehicle
- ▶ The virtual cockpit replaces traditional gauges and interfaces for a customizable cockpit that combines the functions of a central MMI® system with a traditional instrument cluster in one unique, 12.3-inch TFT display with superb 3D graphics and brilliant clarity
- ▶ Audi connect® on the TT offers the latest MIB-2 infotainment features, including 4G LTE Wi-Fi® hotspot connectivity for passenger devices, streaming audio, social networking, external voice recognition, over-the-air map updates, and INRIX XD® Traffic
- ▶ The Audi TT Coupe and Roadster features a 2.0L TFSI® engine with 220 hp and 258 lb-ft of torque for a 0-60 time of 5.3 seconds (Coupe) and 5.6 seconds (Roadster). The performance tuned Audi TTS Coupe will feature a 2.0L TFSI engine with 292 hp and 280 lb-ft of torque for a 0-60 time of 4.6 seconds
- ▶ A new quattro® all-wheel-drive system varies torque delivery percentage front to rear by measuring the coefficient of traction at all four wheels via 150 readings every 10 milliseconds, and for the first time can be controlled through the Audi drive select system. When in dynamic mode, the quattro® system has a rear-wheel power bias.
- ▶ Audi magnetic ride on the TTS allows drivers to choose a driving experience to suit the current conditions and their personal preference
- ▶ The available Bang & Olufsen® 680 watt surround sound system with 12 speakers offers almost true-to-life sound reproduction
- ▶ New digital HVAC controls eliminate the need for a conventional dash console and integrate fan speed, air vent selection and temperature directly into the center of the three central vents, and the respective heated seat controls into each side vent.

## KEY SPECIFICATIONS

	TT Coupe/Roadster	TTS Coupe
Starting MSRP*	\$ 42,900/ \$ 46,400	\$ 51,900

# KEY HIGHLIGHTS

## Exterior walk-around TT

- 1) Singleframe® grille
- 2) Full LED headlights
- 3) LED taillights w/ dynamic turn signals
- 4) 18" 5-twin-spoke dynamic design wheels
- 5) Roll bars with Aluminum-optic trim (Roadster only)
- 6) Dual exhaust outlets
- 7) Rear parking sensors
- 8) Aluminum-optic fuel filler door w/ TT logo and cap less refueling
- 9) Adaptive rear spoiler (shown retracted)

# KEY HIGHLIGHTS

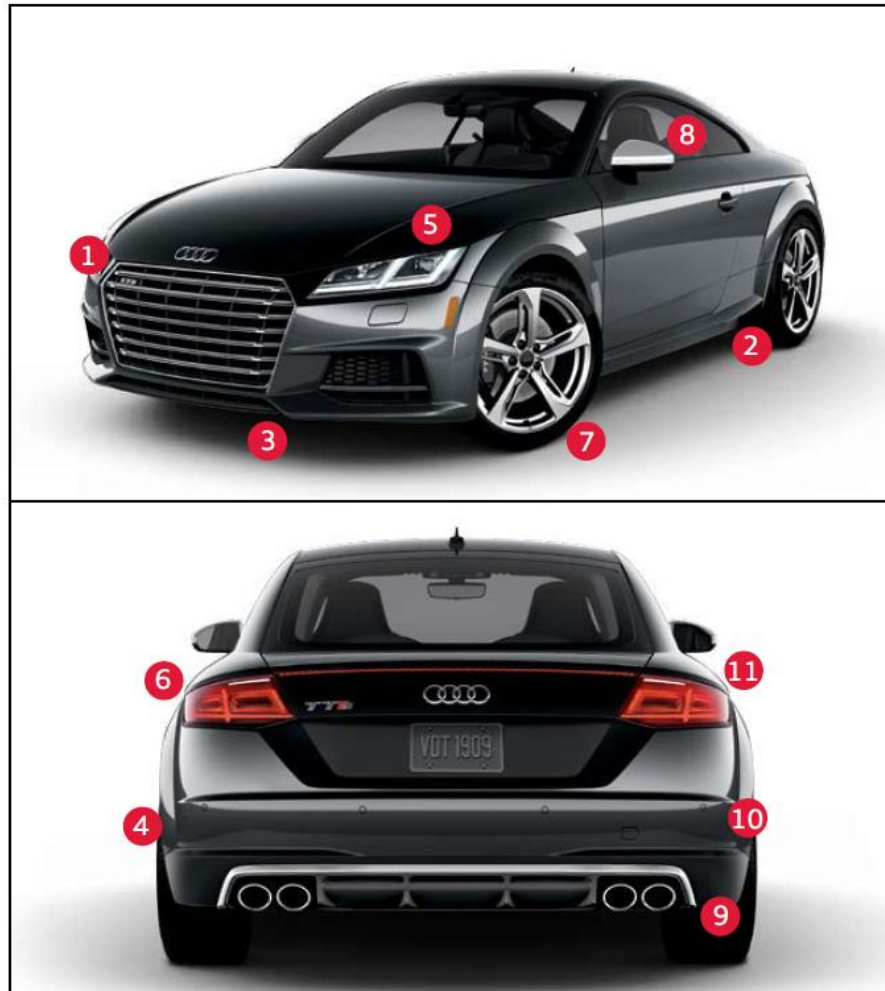

## Interior walk-around TT

- 1) Available Fine Nappa leather interior
- 2) MMI® touch
- 3) Three-spoke, flat-bottom, multifunction sport steering wheel w/ shift paddles
- 4) 12-way power front sport seats, including four-way power lumbar adjustment
- 5) Aluminum Drift inlays
- 6) Air conditioning controls integrated into air vents
- 7) Aluminum shift knob
- 8) Available Audi side assist
- 9) Leather package in black (door armrests and center console)
- 10) Audi drive select

# KEY HIGHLIGHTS

## Exterior walk-around TTS Coupe

- 1) Platinum Gray Singleframe® grille
- 2) TTS specific side sills
- 3) TTS specific front fascia
- 4) TTS specific rear bumper/diffuser
- 5) Full LED headlights
- 6) LED taillights w/ dynamic turn signals
- 7) Audi Sport® 19" 5-spoke-blade design wheels
- 8) Aluminum-optic side mirror housings
- 9) S model quad exhaust outlets
- 10) Rear parking sensors
- 11) Adaptive rear spoiler (shown retracted)

# KEY HIGHLIGHTS

## Interior walk-around TTS

- 1) Available Fine Nappa leather interior
- 2) MMI® touch
- 3) Three-spoke, flat-bottom, multifunction sport steering wheel w/ shift paddles
- 4) 12-way power front S sport seats, including four-way power lumbar adjustment and power adjustable side bolsters
- 5) Brushed Aluminum matte inlays
- 6) Air conditioning controls integrated into air vents
- 7) Aluminum shift knob
- 8) Available Audi side assist
- 9) Leather package in black (door armrests and center console)
- 10) Audi drive select
