

2019 *A4 Model Line*

Audi of America // **Press Kit**

For media inquiries, contact
Amelia.Fine-Morrison@audi.com

One of the brand's best-selling model lines.

With quickness, competence and class.

And an adventurous spirit.

Only drive where it is permitted and always stay on provided roads and paths. See owner's manual for important information regarding off pavement use. Ensure that you park your vehicle on a hard, solid surface and that the vehicle is situated safely while stationary.

OVERVIEW

A4 model line

As one of the brand's bestselling models, the A4 model line – including the A4 sedan, A4 allroad and S4 – features more standard technology and updated design and package options for the 2019 model year.

Performance

- ▶ The A4 sedan features a **2.0-liter TFSI® four cylinder engine** with two transmission variants: FWD S tronic, which generates 188 horsepower, and quattro® S tronic, which generates 248 horsepower.
- ▶ The S4 features a **3.0-liter TFSI V6** that generates **349 horsepower and 369 lb-ft of torque**, sprinting from **0-60 mph in class-leading¹ 4.4 seconds.²** The S4 reaches **top track speeds of 155 mph.³**
- ▶ The A4 allroad comes equipped with a **2.0-liter TFSI engine with 248 horsepower and 273 lb-ft of torque reaches 60 mph in 5.9 seconds.²**

Technology and Connectivity

- ▶ The A4 family integrates benchmark technologies including standard **Audi smartphone interface**, which provides Apple CarPlay® and Google™ Android Auto integration for compatible mobile devices⁴, available **Audi virtual cockpit** and **full color head-up display**, available **Audi MMI Navigation plus with MMI® touch⁵** and available **Audi phone box⁶** (wireless charging and signal booster).
- ▶ Available **Bang & Olufsen sound system with 3D sound** creates a unique in-car audio experience with 19 speakers.

Driver Assistance

- ▶ The A4 family includes many available advanced driver assistance systems designed to help drivers navigate the road and traffic with increased confidence.⁷
- ▶ **Standard Audi pre sense® basic and city** can help prepare the vehicle for impact in the case of an impending collision.⁷
- ▶ **Available Audi pre sense rear** helps monitor the traffic following the vehicle and takes similar actions to Audi pre sense basic and **optional Audi side assist** helps provide blind spot monitoring via LED indicators on the exterior mirror housing.⁷
- ▶ **Available adaptive cruise control with stop & go and Traffic Jam assist** automatically maintains distance from the vehicle in front, including braking and accelerating to help maintain a set distance. Between 0-40 mph, traffic jam assist combines acceleration, braking and steering guidance, which can help take the stress out of driving in congested traffic.⁷

Design

- ▶ The A4 and S4 represent the **premium Audi design**, from the crisp, wrap-around lines emphasizing the vehicle's length to the powerful wheel arches that accentuate the vehicle's performance appeal.
- ▶ The refined interior of the A4 family features an **acoustic windshield** designed to help keep cabin noise to an exceptionally low level and **standard ambient LED interior lighting** showcases the high-quality materials throughout the interior.
- ▶ The S4 offers **sporty design differentiators** including aluminum-optic exterior side mirror housings, Platinum Gray Singleframe grille with aluminum-optic double blade bars, S model specific quad exhaust outlets and a rear trunk lid lip spoiler.
- ▶ The exterior design of the A4 allroad includes a more **muscular silhouette**, which showcases the vehicle's adventurous spirit, while design cues such as the progressive undercut-look of the available **LED headlights**, pay homage to its A4 family roots.

LATEST UPDATES

2019 A4 model line

The A4 model line – including the A4 sedan (which offers two transmission options, FWD S tronic and quattro® S tronic), A4 allroad and S4 – features more standard technology and updated design and package options for the 2019 model year. Exterior enhancements for the A4 sedan quattro® include new standard front and rear S line bumpers, and both A4 sedans receive a new rear exhaust system with trapezoidal exhaust pipes. The A4 allroad receives Audi MMI Navigation plus with MMI® touch⁵ standard at the Premium Plus trim. Additional tech updates on the A4 sedan and A4 allroad include two USB charge ports for the rear seat passengers and Audi phone box⁶ with wireless charging and signal booster standard for Premium Plus.

Enhanced packages include an updated Sport package available for the A4 sedan, which now includes aluminum ellipse inlays. The available updated Convenience package for all A4 models now includes Audi side assist and Audi pre sense rear.⁷

For the first time on the 2019 model year, the S4 is available at the Premium trim level and includes sport suspension, S model exterior elements, 18-inch 5-double-spoke-star design wheels with summer tires⁸ and diamond stitched S sport seats with power side bolsters and massage function.

ABOUT AUDI OF AMERICA

Audi of America, Inc. and its U.S. dealers offer a full line of German-engineered luxury vehicles. AUDI AG is among the most successful luxury automotive brands, delivering about 1.878 million vehicles globally in 2017. In the U.S., Audi of America sold nearly 227,000 vehicles in 2017 and broke all-time company sales records for the eighth straight year. Visit audiusa.com or media.audiusa.com for more information regarding Audi vehicles and business topics.

“Audi,” “TFSI,” “quattro,” “e-tron,” “S tronic,” “Audi connect,” “MMI,” “Singleframe,” “FSI,” the four rings logo and all model names are registered trademarks of AUDI AG. All other trademarks are the property of their respective owners.

¹Class-leading claim based on competitor data available at time of publication. Audi of America, Inc., defines the competitive segment as the [fill in] models.

²Always obey all local speed and traffic laws.

³Top track speed electronically limited in U.S. Always obey all speed and traffic laws.

⁴Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. These features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. “Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. “Apple CarPlay” is a trademark of Apple Inc.

⁵Always pay careful attention to the road, and do not drive while distracted. See Owner’s Manual for further details, and important limitations.

⁶Requires compatible smart device. This is a CONSUMER device. BEFORE USE, you MUST REGISTER THIS DEVICE with your wireless provider and have your provider’s consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device on their network. If you are unsure, contact your provider. You MUST operate this device with approved antennas and cables as specified by the manufacture. Antennas MUST be installed at least 20 cm (8 inches) from any person. You MUST cease operating this device immediately if requested by the FCC or a licensed wireless service provider. WARNING. E911 location information may not be provided or may be inaccurate for calls serviced by using this device."

⁷Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details, and important limitations.

⁸These tires may ride less comfortably, make more noise, and wear more quickly than other choices. To avoid tire, rim, or vehicle damage, it is important that inflation pressure is regularly checked and maintained at optimum levels. High performance tires are designed for optimum performance and handling in warm climates and are not suitable for cold, snowy, or icy weather conditions. When driving during cold, snowy, or icy weather conditions, ensure that your vehicle is equipped with appropriate all-season or winter weather tires. Tires are supplied and warranted by their manufacturer.

⁹Prices listed are the Manufacturer’s Suggested Retail Prices and do not include destination and delivery (\$975), taxes, title, options, and dealer charges. Dealer sets actual price.

¹⁰EPA estimates. Your mileage will vary and depends on several factors including your driving habits and vehicle condition. Where noted as TBD, EPA estimates not available at the time of publication. See www.fueleconomy.gov for updated information.

¹¹Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.

¹²Always pay careful attention to the road, and do not drive while distracted. Connect CARE services are provided with the support of authorized affiliated and third party service providers. Available on select models. Connect CARE services are activated prior to purchase or lease and do not require registration or paid subscription. Connect CARE services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Audi Connect services, including Connect CARE are subject to technologies remaining commercially available, such services are not guaranteed, and may not be available after December 2021. See Terms of Service, Privacy Policy, and other details at www.audiusa.com/privacy and <https://www.audiusa.com/technology/intelligence/audi-connect/connect-terms>. Connect CARE services should only be used when it is safe and appropriate.

¹³Always pay careful attention to the road, and do not drive while distracted. Connect PRIME services are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. Trial or paid subscription required. Connect PRIME services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth features will not be available after December 2020 for Model Year 2018 & prior vehicles. Google Earth is a trademark of Google Inc. See Terms of Service, Privacy Policy, and other details at <https://www.audiusa.com/privacy> and <https://www.audiusa.com/technology/intelligence/audi-connect/connect-terms>.

¹⁴Always pay careful attention to the road, and do not drive while distracted. The Wi-Fi hotspot feature is intended for passenger use only. Wifi feature is provided through Connect PLUS. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.

¹⁵SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see www.siriusxm.com) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C and Puerto Rico (with coverage limitations).

¹⁶See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

¹⁷See dealer or owner's literature for limited warranty details.
